Introduction

This document records the terms and conditions of business you have with us as a **member** of the Barnett Waddingham Self Invested Personal Pension ("the **scheme**").

These terms and conditions form a legally binding agreement between:

- you, the **member**, and
- us, BW SIPP LLP, the **operator**.

They are complemented by, and must be read in conjunction with, the following documents, which are available from us on request, or on our website - www.barnett-waddingham.co.uk/barnett-waddingham-sipp/

- Barnett Waddingham Self Invested Personal Pension Key Features;
- Glossary;
- Allowable Investment Schedule;
- Schedule of Fees;
- **Trust deed and rules**, and your
- Application form.

Words or phrases which are shown in **bold italics** are explained in the Glossary, which forms part of these terms and conditions.

Where we refer to 'us', 'our' or 'we', we mean BW SIPP LLP acting as the **operator**.

We will treat you as a "retail client" under **Financial Conduct Authority (FCA)** rules. A retail client benefits from a higher degree of protection than other types of clients under the applicable law. You can ask not to be treated as a retail client; however, we retain the right not to accept this request to do so. If you request to be treated as a type of client other than a retail client you will lose various protections afforded to you, including the ability to complain to the **Financial Ombudsman Service**, and potentially the right to make a claim under the **Financial Services Compensation Scheme (FSCS)**.

These terms and conditions are the basis upon which we will provide services to you. If they are not acceptable to you, you should not proceed with the **scheme**.

These terms and conditions apply from the date that we receive and accept a properly completed application form to become a **member** of the **scheme** from you, or from your financial adviser on your behalf. However, if they are replacing a previous set of terms and conditions following subsequent changes, they will apply from the date that we notify you of. We will give you at least 30 days' written notice of any changes.

Where these terms and conditions are replacing a previous set and you are not agreeable to these changes, you must notify us in writing of this within 30 days, and we will assist you in transferring to an alternative **registered pension scheme**.

Background

The **scheme** is a **registered pension scheme** and is used to provide pension and lump sum benefits to its **members** and their **beneficiaries**. A **self-invested personal pension scheme (SIPP)** is defined as a designated investment (personal pension scheme) in accordance with the Financial Services and Markets Act 2000 (as amended). This means that a **SIPP** is a product regulated by the **FCA**.

The **scheme** is established and governed by a **trust deed and rules**. If there are any inconsistencies between these terms and conditions and the **trust deed and rules**, the **trust deed and rules** will take precedence. A copy of the **trust deed and rules** is available from us on request.

Our role and services

Our role

BW SIPP LLP is the **operator** of the **scheme** and is authorised and regulated by the **FCA**.

BW SIPP Trustees Limited is the **trustee** of the **scheme**. It is a non-trading company and is a bare trustee. This means that its sole purpose is to act as the **trustee** of the **scheme**. You will be a co-trustee with the **trustee**, and will jointly own the investments in your Barnett Waddingham SIPP with the **trustee**. The trustee is not regulated by the **FCA**.

Any powers or discretions which the trustee uses to carry out its role will only be exercised in accordance with our instructions.

Where any activity could result in the **trustee** no longer qualifying as a bare trustee, the activity will be carried out by us to the exclusion of the **trustee**.

Our services

We will provide the following services:

- Establishing your Barnett Waddingham SIPP, which includes (but is not limited to):
 - supplying you, on request, with a copy of the **trust deed and rules**;
 - maintenance of the **scheme** in line with **legislation and regulation**; and
 - preparing documentation to allow the making of claims for **tax relief**.
- Administering the **scheme**, which includes (but is not limited to):
 - the opening and maintenance of **client accounts** with **our chosen bank**;
 - maintaining appropriate records; for example, a record of contributions paid;
 - liaising with you and/or your financial adviser in respect of changes to the **scheme**, including changes in limits on contributions and benefits;
 - implementing your investment proposals, except where to do so would be prohibited by regulations, law, or by our internal investment policy (see section 9);
 - making any necessary arrangements to allow the purchase or sale of your Barnett Waddingham SIPP investments;
 - acting in line with your instructions, receiving investment and/or property income, paying outgoings, and liaising as necessary with solicitors and managing agents;

- settlement of the benefits due under your Barnett Waddingham SIPP by the payment of cash and income (and, in certain circumstances, by an *in specie* payment), with the deduction of income tax as appropriate, and/or by the purchase of an *annuity*, and
- If you have appointed a financial adviser, pay charges from your Barnett Waddingham SIPP to your financial adviser, as agreed in writing between you and your financial adviser.

Other services

We may perform other services if we are asked by you, (and we are allowed to do so), or if we are required to do so by **legislation and regulation**. Any such services provided may be subject to additional time cost fees if the services are requested by you, or special fees if they are required by **legislation and regulation**.

Membership

You are eligible to establish a Barnett Waddingham SIPP and to become a **member** of the **scheme** if you are a UK resident.

Your membership is based on the information disclosed on your application form. The submission of your application form to us means that you have agreed to establish your Barnett Waddingham SIPP, and to become a **member** of the **scheme**.

If you are a parent or legal guardian, you may apply for membership on behalf of a child under the age of 18. We will take instructions from you until the child reaches age 18 then, on their acceptance of our current terms and conditions, we will take instructions from the child.

We have legal obligations regarding the detection, reporting and prevention of fraud, money laundering and terrorist activity. We are required to take action where we have suspicions about the use of, or any activity concerning, any accounts or amounts we hold, or any facilities we provide.

We will verify your identity or any other person's or entity's identity if they are introducing money to your Barnett Waddingham SIPP, and will do this electronically where we are able to. You will provide us with satisfactory documentation to verify your identity, or the identity of any party introducing money to your Barnett Waddingham SIPP, and this is a requirement before we are able to establish your Barnett Waddingham SIPP and/or act under your instructions. Until verification has been satisfactorily completed and our welcome letter issued to you, we cannot accept money into your Barnett Waddingham SIPP.

Where we are legally permitted to do so, we will advise you of any investigation or of any delay arising from any such investigation. We may be obliged to refuse transactions or instructions. We will not be liable to you or any third party for any loss or damage arising from any action we may take, as a result of our legal obligations.

Your financial adviser

We are not responsible for giving, and shall not be deemed to have given, any legal, financial, investment, tax or any other advice in connection with your Barnett Waddingham SIPP, or any underlying investments or decisions associated with it.

We therefore strongly recommend that you appoint a financial adviser in connection with your Barnett Waddingham SIPP. If you do, your financial adviser is responsible for providing financial advice about the suitability of your Barnett Waddingham SIPP, the investments within it, the benefits taken out and contributions and transfers made. We will assume that your relationship with your financial adviser continues until you inform us otherwise.

Cancellation

First 30 days

When we accept your membership application, we will send you a cancellation notice and form. If you wish to cancel your Barnett Waddingham SIPP, you have 30 days from the date you receive the cancellation notice to confirm this, by completing and returning the cancellation form to us.

If you cancel your Barnett Waddingham SIPP and have made a cash contribution within the first 30 days that has not been invested, the value of your contribution will be returned to you with any interest that has been paid to you by **our chosen bank** in respect of your contribution. Interest that has not been paid to you, but has accrued on your contribution, will not be included.

You are not entitled to a further cancellation period in respect of additional contributions made to your Barnett Waddingham SIPP after the first 30 days following its establishment.

Investments

We will not act on instructions for investments received from you or your financial adviser that, in our opinion, are unlikely to be able to be realised or cancelled within 30 days, until the first 30 day cancellation period has expired, unless you choose to waive the right to cancel and have confirmed this to us in writing. However, we will act on instructions for all other investments received from you or your financial adviser, within the first 30 days.

If you cancel your Barnett Waddingham SIPP and have made an investment within the first 30 days, you will receive back the value of the underlying investment, which may be more or less than the initial amount that you invested.

You do not have the right to cancel any investments in your Barnett Waddingham SIPP unless the investment itself has a specific cancellation period.

Transfers

If you have made a transfer payment within the first 30 days to your Barnett Waddingham SIPP from a **money purchase pension scheme** and you decide to cancel your Barnett Waddingham SIPP, the value of the underlying investments will be returned to the transferring plan, which may be lower than the amount that was originally transferred. If the transferring plan refuses to accept the returned transfer payment, you must select an alternative pension plan to which the transfer payment can be paid. Any subsequent transfers to your Barnett Waddingham SIPP from other **money purchase pension schemes** after the first 30 days, will be treated identically.

If you want to make a transfer to your Barnett Waddingham SIPP from a **defined benefit scheme** or a pension scheme or policy that contains a **guaranteed annuity rate (GAR)**, either within the first 30 days or subsequently, we will not request the transfer until the 30 day right to withdraw period has expired, unless you choose to waive the right to withdraw and have confirmed this to us in writing.

If you want to make an **in specie** transfer of any assets to your Barnett Waddingham SIPP, either within the first 30 days or subsequently, we will not arrange the transfer until the 30 day transfer cancellation period has expired, unless you choose to waive the right to cancel and have confirmed this to us in writing.

Drawdown pension

If you **crystallise** funds into **drawdown pension** and take a **pension commencement lump sum (PCLS)** and/or income either within the first 30 days or subsequently, and then change your mind, you must return any **PCLS** and/or income received to us within 30 days from the date you receive the cancellation notice. The returned funds will remain in cash until you instruct us how you want them invested.

If you convert a **capped drawdown fund** to a **flexi-access drawdown fund**, you do not have the right to cancel the conversion.

Uncrystallised funds pension lump sum (UFPLS)

If you take an **UFPLS**, either within the first 30 days or subsequently, and then change your mind, you must return the full **UFPLS** to us within 30 days from the date you receive the cancellation notice. The returned funds will remain in cash until you instruct us how you want them invested.

Contributions

Paying contributions

You accept that you will not make any **unauthorised payments** to or from your Barnett Waddingham SIPP.

There is no minimum contribution limit. The maximum limit is the greater of your **relevant UK earnings**, up to the **annual allowance (AA)** in the relevant tax year, and £3,600 gross.

If you exceed the **AA**, you may be able to **carry forward** any unused **AA** from the previous three tax years. Carry forward is subject to a maximum of the **AA** for each tax year, and the amount you can **carry forward** is reduced by the **AA** you have already used during those tax years.

You may pay regular or single contributions and we will accept contributions paid on your behalf by a spouse, partner, employer and some third parties. All regular payments will be collected by direct debit, and you can choose either the 1st or the 15th of the month as the collection date. If you wish to stop or change the amount of your regular contributions or the collection date, you must give us ten **business days'** notice in writing, either by email or by post. Single contributions can be paid by BACS, CHAPS, direct bank transfer or faster payments, and you must notify us by email or in writing prior to each single contribution being paid. Failure to notify us that you are making such a payment may result in the payment being returned.

We may accept **in specie** contributions if they have been agreed with us in advance, and we retain the discretion to refuse to accept this type of contribution. If agreed, they will be accepted at market value. Any contributions paid **in specie** above the amount that is eligible for **tax relief** may be accepted at our discretion. Alternatively, the excess can be refunded in cash on your written request, provided that you have sufficient cash in the **client money account**, to refund the excess.

The Government have announced the intention that making a contribution to your SIPP from 6 April 2023 will no longer invalidate Enhanced or Fixed Protection. However, this has yet to be ratified in legislation and the opposition has stated that if elected they would reverse the provisions announced in the Budget. We recommend you speak with a financial adviser before making any decision to pay a contribution if any of these protections apply to you.

Money purchase annual allowance (MPAA)

If you take **flexible benefits**, the maximum amount you can contribute to your Barnett Waddingham SIPP and to all other **money purchase pension schemes** which is eligible for **tax relief**, is restricted to £10,000 (gross) for the tax year 2023/24 and for each subsequent tax year, until the government notifies otherwise. This is known as the **MPAA**. You can contribute the remaining portion of the overall **AA** to **defined benefit schemes**.

Individuals with an **adjusted income** of more than £260,000 for each tax year, and a **threshold income** of more than £200,000 will be subject to a tapering reduction to their **AA**.

- you take pension income from a **flexi-access drawdown fund** (including income paid from a **short-term annuity**);
- you notify us that you want to convert your **capped drawdown fund** to a **flexi-access drawdown fund** and, after we process your notification, you then take pension income from that fund;
- you draw more pension income from your **capped drawdown fund** than the **maximum income limit**;
- a valid declaration was accepted before 6 April 2015 that you met the **flexible drawdown** conditions;
- you take an **UFPLS**; or
- you receive a payment from an **annuity** which allows, or could be varied to allow, income to decrease.

Payment of a **PCLS** alone from a **flexi-access drawdown fund** without any payment of pension income will not trigger the **MPAA**.

Tax relief

You will not qualify for **tax relief** on any contributions paid after you have reached age 75, or on any contributions paid above the higher of 100% of your **relevant UK earnings** or £3,600 gross, but subject to the **AA**. We will assume all contributions paid by you are eligible for **tax relief**, and it is your responsibility to let us know if this is incorrect. At our discretion, we may accept contributions that do not qualify for **tax relief**.

We will apply to **HM Revenue and Customs (HMRC)** each month for the **tax relief** due on all contributions paid (excluding any employer contributions, which are paid gross). We will only apply the **tax relief** to your Barnett Waddingham SIPP, once we have received it from **HMRC**.

It usually takes six to eleven weeks for a **tax relief** claim to be paid, (although **HMRC** sometimes audit claims, which might result in a delay). If you are a higher or additional rate tax payer, you may be able to claim additional **tax relief** through a self-assessment tax return, or directly from **HMRC**.

Your first **pension input period (PIP)** for **AA** purposes under your Barnett Waddingham SIPP will start on the establishment date of your Barnett Waddingham SIPP and will end on the following 5th April. Subsequent periods will then mirror future tax years running from 6th April to 5th April.

Carry forward and the AA charge

If you trigger the **MPAA**, you cannot **carry forward** any unused **AA** in respect of **money purchase pension schemes** from previous tax years. However, you may be able to **carry forward** any unused **AA** to **defined benefit schemes**. If you exceed the **MPAA**, you will be liable to pay the **AA** charge on the excess.

If you do not trigger the **MPAA** and you exceed the **AA**, you may be able to **carry forward** any unused **AA** from the previous three tax years. **Carry forward** is subject to a maximum of the **AA**, or tapered **AA** where applicable, for each tax year, and the amount you can **carry forward** is reduced by the **AA**, or tapered **AA**, that you have used during those tax years. If you use **carry forward**, the full amount contributed by you must be within your **relevant UK earnings** for the tax year in which the payment is made.

Any **AA** which is **carried forward** cannot be used to increase the **MPAA**.

If you do not trigger the **MPAA** and you pay contributions above the **AA**, or tapered **AA**, and are not able to **carry forward** any unused **AA** from the previous three tax years, we will not be able to refund the excess contributions unless the contributions exceed your **relevant UK earnings** for the tax year. If your contributions exceed your **relevant UK earnings** for the tax year, we will refund the excess **tax relief** claimed to **HMRC** and the excess net contribution to you or if lower, the fund value attributable to it. You will be liable to an **AA charge** on any amount in excess of your **AA**, or tapered **AA**, plus available **carry forward** which cannot be refunded or is not refunded.

Please note that special transitional rules for **PIPs** applied for the 2015-16 tax year, which may affect the amount that you are able to **carry forward**, from that tax year. Further details are available from us on request and it is recommended that you speak to your financial adviser, if this is relevant to you.

Transfers

Transfers to your Barnett Waddingham SIPP

You can transfer other pension plan funds to your Barnett Waddingham SIPP with our consent. If you have appointed a financial adviser, you should consult your adviser before deciding to make a transfer.

We can only accept a transfer from a **defined benefit scheme** or a pension scheme or policy which contains a **GAR**, if you have taken advice from a financial adviser in respect of the transfer, and they have recommended that the transfer proceeds.

On receipt of a signed declaration requesting a transfer, either as part of your Barnett Waddingham SIPP application form, or submitted separately, we will make contact with the transferring scheme to arrange payment.

Transfers must be from a **registered pension scheme** or a **recognised overseas pension scheme (ROPS)**, and will be administered as follows:

- Cash transfers from a **money purchase pension scheme**, a **personal pension scheme** or a **defined benefit scheme**: we will notify you on receipt of the monies from the transferring scheme; and
- **In specie** transfers from a **money purchase pension scheme** or a **personal pension scheme**: you may need to provide us with further information to assist with the transfer, and any transfer is subject to our approval of the asset being transferred.

We may accept a transfer of a **flexi-access drawdown fund**, a **capped drawdown fund**, a **dependant's flexi-access drawdown fund**, a **nominee's flexi-access drawdown fund** and a **successor's flexi-access drawdown fund**.

All transfer payments will be held initially in the **client money account**, and will then be paid or invested in accordance with your instructions.

Transfers from your Barnett Waddingham SIPP

You can transfer all or part of your Barnett Waddingham SIPP to another **registered pension scheme** or a **qualifying recognised overseas pension scheme (QROPS)** if sufficient due diligence can be carried out to our satisfaction in accordance with **HMRC** requirements. At our discretion, in certain circumstances, we can refuse to make a transfer.

Transfers can be paid by CHAPS or by a transfer **in specie**. All **in specie** assets must be transferred before we transfer any cash element. All transfers, including those to a **QROPS**, must meet **HMRC** requirements.

If you are only transferring part of your Barnett Waddingham SIPP, then unless the transfer is to be made in cash or **in specie**, you must instruct us which assets to sell before the transfer. There may be a cost for selling these assets. For assets other than property, you must give us 30 **business days'** written notice instructing us which assets to sell. We will usually implement your instructions within five **business days**, or otherwise as soon as we reasonably can. If it is necessary to sell a property or any other asset that takes longer than 30 **business days** to encash, the transfer will be delayed until the property or asset has been sold. If you want to transfer part of your Barnett Waddingham SIPP from which you are taking **drawdown pension**, that part must be transferred in full to another pension scheme that can provide you with **drawdown pension**.

We may receive small additional payments after you have transferred out all of your Barnett Waddingham SIPP (for example, from a subsequent share dividend payment, or an interest payment). Where possible, we will pay these to the receiving provider or **beneficiary** after firstly deducting our fee. If the receiving provider refuses to accept the funds, we will deduct our administration time-cost fee and pay any residue to the **member**, where permitted under **HMRC** rules, or to another **registered pension scheme** of the **member's** choice.

Investments

Investment selection

Money will remain in cash in the **client money account**, until we are instructed otherwise.

You, in conjunction with your financial adviser, (if you have appointed one), are responsible for selecting the investments in your Barnett Waddingham SIPP. Please refer to our "Allowable Investment Schedule" for details of permitted investments.

You accept that you will not make any investments that may lead to **unauthorised payments**.

You take full responsibility for the suitability and appropriateness of the investments that you make and, if applicable, the management of those investments. We will arrange investments in accordance with your instructions, subject to the following conditions;

Panel investments

We have a pre-approved **panel** of investment providers, including discretionary fund managers, fund supermarkets, platform providers, and execution-only providers who have passed our due diligence requirements and have agreed an application process with us. Your adviser should conduct his/her own due diligence before recommending a **panel** investment provider to you, and if you do not have an adviser, you should make all relevant enquiries yourself before selecting your **panel** investment provider(s).

Our fees are generally lower with our **panel** investment providers than with non-**panel** investment providers (note this does not take into account any fees, which may be charged directly by the investment provider).

A list of our **panel** investment providers can be seen on our website (www.barnett-waddingham.co.uk/barnett-waddingham-sipp). It is subject to change from time to time.

Commercial property

If you want to invest in commercial property through your Barnett Waddingham SIPP, please read our "Property Guide" before proceeding. The Guide does not form part of these Terms and Conditions, and is for information only.

If you decide to proceed with a property purchase, you must accept the terms of our "Property Purchase Questionnaire" and sign the declaration in the Questionnaire.

Our fees, and the fees of the solicitor, surveyor, together with any stamp duty and any other related costs and charges will be met from your Barnett Waddingham SIPP. Please refer to our Fee Schedule for more details.

The property and any associated borrowing will be held in the name of the **trustee** and in you as co-trustee, as an asset of your Barnett Waddingham SIPP. At our discretion, we can refuse to proceed with a property purchase, if our due diligence process finds it to be unsatisfactory or would give rise to punitive tax charges under **HMRC** rules, or if additional information comes to light which means that we need to change our decision.

Investment committee

We have established an **investment committee** to review any uncommon or unregulated investments. The purpose of the **investment committee** is to decide whether investments are permitted by our internal investment policy, **HMRC** and the **FCA**, and to ensure we are able to meet our regulatory responsibilities.

The **investment committee** will not judge investment performance, or have any responsibilities for any decision made by you to purchase, retain or sell the investments in your Barnett Waddingham SIPP. Neither we nor the **investment committee** will be liable for any losses, claims, costs or expenses incurred by your Barnett Waddingham SIPP, arising from any such decision.

In line with our internal investment policy, the **investment committee** may not allow investments if they:

- could potentially lose more than the initial capital invested;
- may incur an **unauthorised payment** charge;
- provide unnecessary risks to the benefits to be provided to you and your **beneficiaries**; or
- cannot be easily and clearly identified and registered as an asset of your Barnett Waddingham SIPP.

If any of your chosen investments falls into any of these categories, we may refuse to allow it. In addition, we can instruct the **trustee** and you as co-trustee to sell any investments in your Barnett Waddingham SIPP if they are not, or stop being, permitted investments.

You agree to provide us with sufficient information to enable us to make an informed decision as to whether to refuse any investment proposal, or to compel the sale of an investment.

Buying and selling investments

We will not complete the formalities required to buy or sell investments, until we have received the full paperwork from you or your financial adviser.

We will stop the purchase or sale of an investment if the occurrence of an event or circumstance is brought to our attention which, in our opinion, and in line with our internal investment policy, makes it inappropriate to follow your directions. Otherwise, we will treat all instructions to buy or sell investments as binding, and we will not stop processing instructions once we have received them, until you or your financial adviser notifies us in writing to the contrary. If a sale or purchase is already in progress when we receive such a notification, it may not be possible to cancel that transaction.

We cannot buy and sell quoted investments such as shares directly. This must be conducted through a third party such as a discretionary fund manager or an online trading platform.

At our discretion, we may impose a restriction on the amount that may be invested in **non-standard investments**.

Valuations

The assets in your Barnett Waddingham SIPP are valued from time to time as necessary, and before you take any benefits. In certain circumstances, it may be appropriate to obtain estimates or indexation increases, rather than a full valuation.

Panel investments are valued on a regular basis using valuation feeds, and property will only be valued when necessary. If you take **capped drawdown pension**, the assets will be valued at the relevant **pension review dates**.

All assets will be valued at frequencies necessary to meet prevailing **FCA** guidelines in respect of our **capital adequacy requirements**. Certain assets types (for example, property) will incur valuation fees from third party valuers and this cost will be settled from your SIPP funds. Barnett Waddingham may also charge a time-cost fee for obtaining valuations.

Voting rights

We will not exercise any voting rights, and we will not notify you of any general shareholders' meetings relating to your investments.

Disinvestment

If you do not have enough cash in the **client money account**, together with cash held in any other **deposit accounts**, to pay for an investment or to meet any charges, costs or expenses that are due, you must either pay in extra cash, or instruct us to sell assets to meet the shortfall within 30 days of a request from us.

If you do not do this, we will disinvest assets from your Barnett Waddingham SIPP in the following order:

- Sell unitised investments that are traded daily;
- Sell investments held with a discretionary fund manager;
- Sell any stocks and shares or other insured investments; and then
- Sell any property or **non-standard investments**.

If we are unable to disinvest assets in your Barnett Waddingham SIPP because of your failure to co-operate with us in the sale, or if there are insufficient assets in your Barnett Waddingham SIPP to meet the outstanding charges, costs or expenses, we will take all steps that we consider reasonable to recover the shortfall from you, personally.

Taking benefits

If you wish to receive benefits from your Barnett Waddingham SIPP, you must have reached age 55. This is currently the earliest age when you can take pension benefits except in cases of **ill-health**, **serious ill-health** or if you have the right to a **protected pension age**.

Ill-health

To qualify for an **ill-health** pension, we must receive evidence from a registered medical practitioner confirming that you are (and will continue to be) incapable of carrying on your occupation because of physical or mental impairment, and that you have, in fact, stopped carrying on your occupation.

Serious ill-health

If you are in **serious ill-health**, and we have received evidence from a registered medical practitioner confirming that you are expected to live for less than a year, you may be able to exchange all your Barnett Waddingham SIPP funds for a **serious ill-health** lump sum. To qualify for this, you must not have exceeded the **lifetime allowance (LTA)**.

If you have taken **drawdown pension** from any part of your Barnett Waddingham SIPP, you will usually lose the option to receive a **serious ill-health** lump sum from that part of your Barnett Waddingham SIPP.

Your retirement age and your benefit options

We will assume your chosen retirement age is age 65 unless you provide us with a different retirement age. You can amend your retirement age at any time by confirming this to us in writing by email or by post. We will usually contact you six months before your chosen retirement age with details of the benefits available to you.

You will have the options of taking a **PCLS**, designating some or all of your Barnett Waddingham SIPP fund to provide **drawdown pension**, taking an **UFPLS**, and/or buying an **annuity** or a **short-term annuity**. You will need to let us know (in conjunction with your financial adviser if you have one) what proportion of your Barnett Waddingham SIPP assets you wish to use for these options.

If you reach age 75 and have not taken any benefits, we will automatically test the value of your Barnett Waddingham SIPP assets against the **LTA** at age 75.

Valuation of assets

Before we can calculate your benefit entitlement, we must obtain a current valuation of all the assets invested in your Barnett Waddingham SIPP. Property valuations must be obtained within six months of the date you wish to receive benefits. If it is necessary to sell a property to provide you with funds to enable you to take benefits, payment of any benefits to you will be delayed until the property has been sold. Valuations of all assets in your Barnett Waddingham SIPP will be carried out in accordance with the requirements of relevant **legislation and regulation**.

Unless you have received **enhanced protection**, (or such other forms of protection from the **LTA charge** as may be specified from time to time by **HMRC**), once we have the current value of your Barnett Waddingham SIPP, we will test it against the **LTA** on the date you instruct us to use, before paying your benefits.

Pension commencement lump sum

When you designate new funds into **drawdown pension** or purchase an **annuity**, you will be able to take a **PCLS** of an amount up to 25% of the value of the funds you have designated to be **crystallised**, or which are used to purchase the **annuity**. A **PCLS** is currently tax-free.

The percentage you can take may be different to 25% if you are entitled to a protected lump sum amount, and is also subject to you having sufficient available **LTA**.

You will not be able to take a **PCLS** from a **flexi-access drawdown fund** or a **capped drawdown fund**, which has been transferred-in to your Barnett Waddingham SIPP.

If you choose to take a **PCLS**, we will pay this by CHAPS directly to a personal UK bank account in your name. Investments can be paid **in-specie** as a **PCLS** in some cases, and an additional fee will be applicable in these cases.

Drawdown pension

Flexi-access drawdown

If you designate funds into drawdown for the first time on or after 6 April 2015, the funds will be designated into a **flexi-access drawdown fund**. There is no limit on the amount that you can draw each year, and you can take payments as one or more lump sums or as regular income payments. Any payment will be taxable as pension income and will trigger the **MPAA**.

You can choose to designate new funds into a **flexi-access drawdown fund** in stages, although the minimum amount in each stage is £1,000.

Capped drawdown

If you were receiving **capped drawdown pension** before 6 April 2015, you can choose to either continue receiving **capped drawdown pension** and remain subject to the **maximum income limit**, or to convert your **capped drawdown fund** into a **flexi-access drawdown fund**.

You can convert to a **flexi-access drawdown fund** by notifying us to request conversion.

If you notify us to request conversion, the conversion to a **flexi-access drawdown fund** will start from the date we process your notification. If you draw more pension than the **maximum income limit**, your **capped drawdown fund** will convert automatically to a **flexi-access drawdown fund**.

If you continue receiving **capped drawdown pension**, and simultaneously commence a new **flexi-access drawdown fund**, any income payment from the **flexi-access drawdown fund** will automatically trigger the **MPAA**.

Capped drawdown conditions

If you choose to continue receiving **capped drawdown pension**, we will notify you of the maximum annual amount that we can pay.

Your **capped drawdown pension** payments are reviewed every three years, and the **maximum income limit** is recalculated. On your request, we can review your **maximum income limit** on any earlier anniversary of your **pension review date**. From age 75, **capped drawdown pension** payments are reviewed and recalculated annually. Any review could result in either an increase or a decrease in your ongoing **maximum income limit**.

You can choose any day in the 60 days before your **pension review date** to use as the valuation day for your Barnett Waddingham SIPP. If you do not select a day, we will calculate your revised **maximum income limit** based on the value of your Barnett Waddingham SIPP on your **pension review date** if a valuation is available. If there is no available valuation on your **pension review date**, we will use an available valuation on a day up to five **business days** before your **pension review date**, or within the six months before your **pension review date** in the case of property.

If an independent valuation of property, unquoted shares or other **non-standard investments** is required and you do not provide this before your **pension review date** when requested by us, we will arrange the valuation ourselves and charge the relevant fee to your Barnett Waddingham SIPP. If we are unable to do this before your pension review date, we reserve the right to stop paying your **capped drawdown pension**.

You can choose to designate new funds into a **capped drawdown fund** in stages, although the minimum amount in each stage is £1,000.

If you already have existing phased **crystallisation** held under different arrangements and are taking **capped drawdown pension**, you may choose which arrangements to take your **capped drawdown pension** from. We can either continue to proportion the **capped drawdown pension** payments across the arrangements being used, or we can take them from one arrangement in stages. This is subject to the **maximum income limit** not being exceeded in either case.

Payment of drawdown pension

You can choose to have your **drawdown pension** paid monthly, quarterly, half-yearly, yearly, or on an 'ad-hoc' basis.

We will pay all regular **drawdown pension** payments, net of income tax, by BACS on the 15th or the 28th day of the month in sterling. You must confirm to us in writing which of these dates you would like to be paid on. Ad-hoc **drawdown pension** payments can be paid by CHAPS on any **business day**.

Payment of all regular and ad-hoc **drawdown pension** payments is subject to the following conditions:

- a) we must have received the correctly completed paperwork from you or your financial adviser, together with all necessary current valuations of your Barnett Waddingham SIPP assets; and
- b) you must ensure that there are sufficient cleared funds available in the **client money account** to pay your **drawdown pension** payment and any **PCLS** (including any tax due to **HMRC**) before the payment date. If there are insufficient funds, we will cancel the **drawdown pension** payment.

We will account for the income tax and submit this to **HMRC**. We can only calculate your tax liability based on the tax code we receive from **HMRC**, even if this is different from the tax code you have received personally. We will not be liable for any loss incurred to your Barnett Waddingham SIPP, due to the incorrect tax code being issued to us.

Payments can only be made to a personal UK bank account in your name. We will not usually make any payments to overseas bank accounts.

You will receive a payslip confirming details of each **drawdown pension** payment paid to you, and the tax deducted. After the end of the tax year you will receive a P60 form, which should be retained safely as you may need to include the information on your self-assessment tax return.

Payment changes

You may change your regular **drawdown pension** payment levels, or stop or restart receiving **drawdown pension**, by confirming this to us in writing at least six **business days** before the payment date. If you notify us of any changes less than six **business days** before the payment date, additional fees may be charged, and we reserve the right to reject your instructions.

Pre-6 April 2015 flexible drawdown

If you were receiving **flexible drawdown** before 6 April 2015, your **flexible drawdown** fund will have converted automatically to a **flexi-access drawdown fund** on 6 April 2015 and the **MPAA** will apply to you. Any additional monies that you designate into drawdown will go into the converted fund.

Dependants' drawdown pension

Dependants who were receiving **capped drawdown pension** before 6 April 2015 will have the same options as **members** for continuing in **capped drawdown pension**, or for converting their **capped drawdown fund** to a **flexi-access drawdown fund**. However, payment from a **dependant's flexi-access drawdown fund** will not, of itself, trigger the **MPAA**. This will only apply if the **dependant** has also received an **UFPLS** in relation to his/her own pension savings, or is receiving his/her own member's **flexi-access drawdown pension**.

Uncrystallised funds pension lump sum

You can choose to access some or all of the funds in your Barnett Waddingham SIPP, which are not being designated for **drawdown pension** or the purchase of an **annuity**, by taking an **UFPLS**. Usually 25% of the **UFPLS** will be tax-free, with the remainder taxable as pension income at your marginal tax rate.

Payment can only be made from **uncrystallised** funds, and you must have sufficient **LTA** available in excess of the lump sum. There is a minimum amount of £1,000, and you can take a single or series of **UFPLS** in this way. Payment will trigger the **MPAA**, and we will test the value of your benefits against the **LTA** each time that you want to take an **UFPLS**.

You cannot take an **UFPLS** if you have **primary protection**, or if you have **enhanced protection** and a protected **PCLS**, or if you have an enhanced **LTA** for other reasons, (for example, an overseas transfers-in). Also, you cannot have an **UFPLS** from disqualifying pension credits, which are funds that you may have been awarded on divorce arising from a pension in payment to your ex-spouse. Payment of an **UFPLS** can be made by CHAPS on any **business day** in sterling to a personal UK bank account in your name. We will only pay an **UFPLS** if we have received the correctly completed paperwork, together with all necessary current valuations of your Barnett Waddingham SIPP assets, and if there are sufficient cleared funds available in the **client money account**.

The taxed element will be paid net of income tax, calculated on the current tax code that we receive from **HMRC** even if this is different from the tax code you have received personally. We will not be liable for any loss incurred to your Barnett Waddingham SIPP due to the incorrect tax code being issued to us. If we do not have a current tax code, we will use the emergency tax code issued by **HMRC** at that time.

If you have overpaid income tax, you will need to reclaim this yourself from **HMRC** by following their current procedure.

Buying an annuity

If you wish to purchase an **annuity** or a **short-term annuity**, you must write to us to confirm whether you want to use the whole, or only part, of your Barnett Waddingham SIPP and which **annuity** provider you have selected on the open market. We will then process this request. If you are using only part of your Barnett Waddingham SIPP, you must instruct us which assets to disinvest. If you are currently receiving **drawdown pension** payments you must confirm when you would like us to make the last payment.

Death benefits

Payment of death benefits

On your death, the value of your Barnett Waddingham SIPP may be paid out as a lump sum, or used to provide **flexi-access drawdown pension** or to buy an **annuity** for your spouse, **dependants**, **nominees** or other **beneficiaries**. When you opened your Barnett Waddingham SIPP, we asked you to complete an **expression of wishes** form nominating the **beneficiaries** you would like your benefits to be paid to on your death, and you should keep this up-to-date at all times. We will take your wishes into account when deciding to whom your benefits should be paid, but the form is not binding on us. The payment will be made at our discretion and in line with the **trust deed and rules**, and we will write to your **beneficiaries** giving details of the options available to them.

If you have no **dependants**, your funds can be paid as a tax-free lump sum to one or more registered charities, nominated by you before your death.

If you have asked us to appoint an additional trustee to act with us on your death, payment of the benefits will be made at the joint discretion of ourselves and the additional trustee, and in line with the **trust deed and rules**. If we cannot reach agreement with the additional trustee as to whom the benefits will be paid, we may exercise this discretion alone.

Death before age 75

On your death before age 75, any unused funds that have been designated to **drawdown pension**, and/or any **uncrystallised** funds, can be paid to a range of **beneficiaries** nominated by you before your death. This payment can be either as a lump sum, or sums, or as **flexi-access drawdown pension** through a **nominee's flexi-access drawdown fund** or a **dependant's flexi-access drawdown fund**.

Both lump sums and **flexi-access drawdown pension** will usually be paid tax-free. However, this is subject to you having sufficient **LTA** available in respect of any **uncrystallised** funds.

Funds must be designated into a **nominee's flexi-access drawdown fund** or a **dependant's flexi-access drawdown fund** within two years of the date of your death, in order for the pension to be paid tax-free. If the designation is not made within two years, the pension will be taxable at the recipient's marginal tax rate.

Lump sums must also be paid out within two years of the date we receive notification of your death, in order to be paid tax-free. For the 2016/17 tax year onwards and until the Government notifies otherwise, if the payment is not made within these two years, it will be taxable at the recipient's marginal tax rate, where the recipient is an individual. Lump sum payments to non-individuals, including a trust or a company, will be subject to a tax charge of 45% until the Government notifies otherwise.

Death at or after age 75

On your death at or after age 75, any unused funds that have been designated to **drawdown pension**, and/or any **uncrystallised** funds, can also be paid as a lump sum, or sums, or as **flexi-access drawdown pension** to your **beneficiaries**, but tax will be chargeable. Tax will be payable at the recipient's marginal tax rate for the 2016/17 tax year onwards, where the recipient is an individual, until the Government notifies otherwise. Lump sum payments to non-individuals, including a trust or a company, will be subject to a tax charge of 45% until the Government notifies otherwise.

If funds are taken as pension through a **nominee's flexi-access drawdown fund** or a **dependant's flexi-access drawdown fund**, tax will be payable at the recipient's marginal tax rate.

Beneficiaries

Beneficiaries cannot receive an **UFPLS** on the death of a **member** from the **member's** pension fund. If a **beneficiary** dies leaving unused **flexi-access drawdown funds**, he/she can pass those funds to a **successor**, either to provide a **flexi-access drawdown pension** through a **successor's flexi-access drawdown fund**, or to be paid as a lump sum death benefit. The tax treatment of a **successor's flexi-access drawdown pension** and lump sum is the same as described above.

LTA Charge

The Government have announced that there will be no lifetime allowance excess tax charge applied for benefits taken above the lifetime allowance in the 2023/24 tax year. For funds in excess of the lifetime allowance taken as either income or a lump sum, the excess will be taxed as income at the recipient's marginal rate. The Government have also announced their intention to abolish the lifetime allowance entirely from 6 April 2024 although this is still to be ratified in legislation.

Disinvestment

On your death, if you have a financial adviser, we will take instructions from the adviser, as regards selling any investments in your Barnett Waddingham SIPP to enable benefits to be settled.

If you do not have a financial adviser, we will liaise with your Executors, as regards disinvesting assets in your Barnett Waddingham SIPP to pay benefits.

It may be possible in certain circumstances for benefits to be settled **in specie**, rather than being disinvested.

Fees

Our fees

You will have been provided with a Schedule of Fees for setting up and administering your Barnett Waddingham SIPP. You agree to pay us the fees set out in the Schedule of Fees. All fees are exclusive of VAT, which is payable, in addition to the amounts shown.

We normally review our fees on 1 June each year, and may change them if we have a valid reason for doing so. We will give you not less than 30 days' notice of any increases to our fees, or the method used to collect them.

Our annual administration fee will be automatically deducted from your cash in the **client money account**, or from your current account if you have one, on each **anniversary date** of your Barnett Waddingham SIPP. You may change the **anniversary date** by notifying us in writing.

Other fees will be deducted from your Barnett Waddingham SIPP in line with our Schedule of Fees as soon as they are incurred. All of our fees will be settled from your cash in the **client money account**, or from your **current account** if you have one. If there is insufficient cash to meet the fees, you must either pay in extra cash, or instruct us which assets to sell to meet the shortfall. If you do not do this within 30 days of a request from us, we will realise assets in line with the disinvestment strategy set out in section 9 to recover overdue fees.

We reserve the right to charge interest from 30 days after the date of a request from us, for payment of extra cash or instructions to sell assets, at a rate of 2% above **our chosen bank's** base rate on the balance outstanding. All costs associated with the recovery of the fees will be invoiced to your Barnett Waddingham SIPP.

Your financial adviser's charges

You can choose to pay your financial adviser's charges directly from your Barnett Waddingham SIPP assets. You must agree with your financial adviser how much you will pay him/her, and how the charges will be paid.

We will pay, or authorise the payment of, your financial adviser's charges in accordance with a financial adviser charging authorisation notice, and we will continue to do so until you notify us otherwise in writing by email or by post. You must give us 30 days' written notice of any changes to your financial adviser's charges, or the method of paying them.

If you are paying your financial adviser an ongoing charge, which is based on a percentage of the value of your Barnett Waddingham SIPP and you hold assets in your Barnett Waddingham SIPP that are not valued annually, (for example, property), the charge could be based on a valuation, which is more than a year old.

Any charges you agree with your adviser are additional to the fees you pay to us for administering your Barnett Waddingham SIPP. It is your own responsibility for agreeing the charges with your adviser, and we will not make any assessment as to whether this is reasonable, or otherwise.

All charges due to your financial adviser, your professional advisers, or in respect of your investments, will be met from your cash in the **client money account**. If there is insufficient cash to meet the charges, the same process will apply as described above under 'Our fees'.

Changes to our fees

If we vary our fees by materially more than the rate of inflation and you are not agreeable to the changes, you may terminate your Barnett Waddingham SIPP by giving us notice before the changes come into effect. We will then assist you in transferring to an alternative **registered pension scheme**.

In reviewing or amending our fees, we will have regard to changes in the level of administration expenses we incur, including but not limited to, **FSCS** levies or any other levy or tax which may be imposed on us from time to time. We reserve the right to increase our fees to cover this, and any increase would be shared among all scheme members at the time the levy or tax was imposed.

Administration

Instructions to us

If you have appointed a financial adviser, instructions will normally be submitted to us by your financial adviser, and we will accept all instructions as binding and received in good faith. If instructions are submitted to us by your financial adviser, we will not be responsible for any investment loss or expenses incurred by your Barnett Waddingham SIPP, which are caused by a delay on the part of the adviser.

If you do not have a financial adviser, or if you want to instruct us directly, all instructions to us must be by email from you, or in writing and signed by you. We reserve the right to accept telephone instructions, but we may require you, (or your financial adviser if you have one), to confirm your instructions by email or in writing before we act on those instructions.

If any instructions are unclear, we will request clarification from you, or your financial adviser, before proceeding. We will not be responsible for any losses caused by the result of delays arising, as a result of seeking such clarification.

Communications from us

Any instruction, notice or communication that we give to you under these terms and conditions will be in writing and sent by email, secure online facility, or post to your last known address, (or by such other methods as we may decide from time to time). Email and online will be used in priority to post, unless you instruct us otherwise. If a communication is sent by email before 5pm on a **business day**, it will be deemed to be served on that day. Otherwise, a communication sent by email will be deemed to be served on the next **business day** after it is sent. If a communication is posted, it will be deemed to be served after two **business days** of posting. We will communicate with your financial adviser, unless you tell us to communicate directly with you.

Any verbal information we give to you or your financial adviser cannot be relied upon, and will be confirmed by us in writing either by email, online or post. Any communication which we provide to you is provided solely for your own use, and is not intended to be relied upon by any third parties.

Disclosure of personal information

We will ask you to confirm who we may release your personal information to. Please note that where you provide us with authority to provide information to other parties, it is your responsibility to update us when you no longer wish us to liaise with such parties.

Annual benefit statement and pension illustrations

We will send you an annual statement of the investments in your Barnett Waddingham SIPP, together with a **statutory money purchase illustration** of any funds that are not yet being used to provide you with benefits, on the **anniversary date** of its establishment. We will use the most recent valuation we hold, but due to issues of timing and cost, this may not be a current valuation.

If you are taking **drawdown pension**, we will also provide you with an annual statutory **drawdown pension** illustration for that part of your Barnett Waddingham SIPP that is used to provide the **drawdown pension**.

Membership changes and reporting requirements

You must notify us immediately of any changes concerning your Barnett Waddingham SIPP membership, including payment of contributions which do not attract **tax relief**, a change to your personal details, (in particular, your address or other contact details), or if you cease to be a UK resident.

You must comply with relevant **legislation and regulation** which requires you to notify us if you do any of the following under another **registered pension scheme**:

- you take more than the **maximum income limit** from a **capped drawdown fund**; and/or
- you take **drawdown pension** from a **flexi-access drawdown fund**; and/or
- you take an **UFPLS**.

You must notify us of the relevant event within 91 days of the date that you take **flexible benefits**, or within 91 days of the date that you receive a statement from the scheme administrator of the other **registered pension scheme** confirming that the event has happened.

You must also notify all other **registered pension schemes** of which you are a member if you take **flexible benefits** from your Barnett Waddingham SIPP. The same timescales apply.

Banking and custody arrangements

Our client accounts

We have **client accounts** in our name with **our chosen bank**, which are used collectively for all **scheme members**. There are different **client accounts** for different types of payment, such as making contributions and transfer payments in, buying and selling investments, making **drawdown pension** payments to **members**, collecting rental income and making payments to **HMRC**.

We keep records and perform daily reconciliations which enable us to identify your funds in the **client accounts** at any time.

Your cash is held in the **client money account** as client money, in accordance with **FCA** requirements, and we treat our **members** as 'retail clients' for the purposes of these requirements. The **client accounts** cannot go overdrawn.

Interest is currently payable tax-free on **members'** cash held in the **client money account**. **Our chosen bank** also pays interest to us on the total cash deposits held in the **client accounts**, depending upon the base rate in force from time to time. The current interest rates paid by **our chosen bank** are available on our website (www.barnett-waddingham.co.uk/barnett-waddingham-sipp/) and from us on request.

We reserve the right to change **our chosen bank** or our banking arrangements at any time. If we do so, we will provide the relevant details on our website, and will give you written notice if we change **our chosen bank**.

Other accounts

You may choose to hold cash in a separate **current** or **deposit account** or **accounts** in addition to the **client money account** and a **current account**. It is your responsibility, with your financial adviser, if you have one, to determine the level of funds which you should hold in cash.

Some banks pay us interest for certain deposit types. Full details are given on our website (www.barnett-waddingham.co.uk/barnett-waddingham-sipp/), and are available from us on request.

Custody of investments

Investments will be held in the joint names of you and the **trustee**, or such other custodian or nominee company that we may choose from time to time, and will usually also be designated in the name of your Barnett Waddingham SIPP.

Any cash held by your Barnett Waddingham SIPP with an investment manager, or discretionary fund manager, is subject to their own terms and conditions.

Professional advisers

In addition to a financial adviser, you may appoint an investment adviser, a discretionary fund manager, custodian or nominee, and in some circumstances, a solicitor, surveyor or other professional adviser to act in respect of your Barnett Waddingham SIPP. We do not accept any liability for your choice or range of professional advisers.

Unless prevented by **legislation and regulation**, and subject to any necessary advice being taken from the **investment committee**, the **trustee** will enter into an agreement with your appointed professional advisers to enable them to be appointed. We will consider whether their fees and expenses can be met from your Barnett Waddingham SIPP funds, but it is your responsibility to ensure you do not enter into agreements where the appropriate fees and charges cannot be met by you.

It is your financial adviser's or your own responsibility to monitor investments held with an investment manager. It is your responsibility to notify us immediately if you identify any errors.

We will assume you continue to appoint your advisers until you confirm to us in writing that this is no longer the case.

Liability

Neither we nor the **trustee** shall be liable to you for any claims, costs, expenses, losses, liability, default or delay arising to your Barnett Waddingham SIPP and its underlying investments, unless this is caused by our wilful neglect, wilful default or fraud. For the avoidance of doubt, neither we nor the **trustee** shall be liable for losses arising from any of the following:

- you or your adviser(s) providing us with insufficient or inaccurate data or information, or delays on the part of you or your adviser(s);
- any acts or omissions by any discretionary fund manager, nominee or custodian company, or of **our chosen bank**;
- a failure to perform, or delay in performing, our obligations under these terms and conditions if the failure or delay results from war, riot, terrorism, fire, flood or other natural disaster, strikes or industrial action, cyber-attack on our computer systems, failure of our computer equipment or systems, or any other cause beyond our reasonable control;
- any **unauthorised payment** made, or tax charge incurred, in respect of your Barnett Waddingham SIPP;

- any loss on the investments in your Barnett Waddingham SIPP and/or any resulting consequential loss to you (for example the loss of the opportunity to invest in another investment);
- the acts or omissions of any third party you may use to assist you in making investments; or
- any act or failure to act by you, which is prohibited by **legislation and regulation**, and which requires us to take corrective action.

We may recover, from the funds in your Barnett Waddingham SIPP, any fees and charges and any claims, costs, expenses or losses that may be made, or arise in respect of:

- your investment decisions or any loss on the investments in your Barnett Waddingham SIPP;
- any tax charge, whether as a result of an **unauthorised payment** or otherwise;
- us having to take, or defend, legal proceedings relating to your Barnett Waddingham SIPP; and
- us having to take corrective action following an act or failure to act by you, which is prohibited by **legislation and regulation**.

Sufficient cash must be available in the **client money account** to meet the charges, costs, claims or expenses applicable to your SIPP. If there is insufficient cash, and you do not provide more cash or instruct us which assets to sell within 30 days of a request from us, we will take steps to recover the charges, or any costs, claims or expenses incurred by us from your Barnett Waddingham SIPP, in line with the disinvestment order set out in section 9.

If any such amounts are not recoverable from the funds in your Barnett Waddingham SIPP, we will take all steps that we consider reasonable, to recover the shortfall from you personally. You agree to indemnify us and the **trustee** in respect of such amounts.

For the avoidance of doubt, we do not exclude our liability where we are prohibited from doing so by **legislation and regulation**, including liability for death or personal injury caused by our negligence.

Termination of your Barnett Waddingham SIPP

Your Barnett Waddingham SIPP will terminate immediately on the occurrence of any of the following events:

- a) payment of a transfer value in respect of all of your Barnett Waddingham SIPP to another **registered pension scheme** or to a **QROPS**;
- b) purchase of an **annuity** in respect of all of your Barnett Waddingham SIPP;
- c) payment of an **UFPLS** in respect of all of your Barnett Waddingham SIPP;
- d) settlement of all benefits on death;
- e) the cancellation of your Barnett Waddingham SIPP within the first 30 day cancellation period;
- f) if there are no funds held in your Barnett Waddingham SIPP for a period of at least 30 days, we will have the right to close your Barnett Waddingham SIPP; or
- g) on the winding-up of the **scheme** in accordance with the **trust deed and rules**.

All outstanding fees must be settled before your Barnett Waddingham SIPP can be wound up.

On giving you 30 days' written notice, we also have the right to stop providing services to you, and to take action to close your Barnett Waddingham SIPP where you breach any of the provisions specified in these terms and conditions. Fees incurred in taking this action will be payable by you.

Closure of the scheme

On giving you 30 days' written notice, (or otherwise as soon as we reasonably can), we may inform you that no new members will be admitted to the **scheme** and/or contributions by existing **scheme members** will no longer be accepted.

Any such decision may be made for valid reasons including, but not limited to, any of the following:

- we stop being authorised by the **FCA**;
- the **scheme** ceases to be a **registered pension scheme**;
- we or the **trustee** determine(s) that it is necessary for the protection of the **members**; or
- our business is sold or wound up.

If the **scheme** closes, we will notify you of your rights and options. Where it is necessary to transfer your Barnett Waddingham SIPP to an alternative **registered pension scheme**, your consent will not be required, although you will be given an option to make a transfer to a **registered pension scheme** of your own choosing, within a specified timeframe.

Changes to the terms and conditions

From time to time it may be necessary for us to make amendments to these terms and conditions, for valid reasons including, but not limited to, a change in **legislation and regulation**, amendments to the **trust deed and rules**, the provision of new systems or services, to take account (in a proportionate manner) of changes in technology, to correct mistakes which do not materially alter the services we provide to you, to make these conditions easier to understand and fairer, or to take account of changes to levies imposed by the **FCA** or the **FSCS**.

We will give you not less than 30 days' written notice of any changes.

General terms

The **trust deed and rules** are written under English law. These terms and conditions are therefore governed by English law, and are subject to the exclusive jurisdiction of the English courts.

Only we, the **trustee**, you, or your personal legal representative can enforce these terms and conditions. The rights of any other person under the Contracts (Rights of Third Parties) Act 1999 to enforce any provision of these terms and conditions are excluded.

Failure by us, the **trustee** or you to exercise or enforce any rights available under these terms and conditions shall not amount to a waiver of those rights.

Each provision of these terms and conditions constitutes a separate and independent provision. If any provision of these terms and conditions is judged by any court or empowered authority to be void or unenforceable, the remaining provisions shall continue in full force and effect.

Any taxation information contained in these terms and conditions is based on our interpretation of current legislation and **HMRC** practice, which may change in future.

All communications to and from us will be in English.

Financial Services Compensation Scheme

If we are unable to meet our financial obligations to you, the **scheme** is covered by the **FSCS** and you may be entitled to compensation.

Your cash in the **client money account** and, if you have one, your **current account**, may also be covered by the **FSCS** in the event of the failure of **our chosen bank**. The maximum compensation is currently £85,000 for each individual in respect of cash held with **our chosen bank** and any other banks covered by **our chosen bank's FCA** authorisation whether the cash is held within your Barnett Waddingham SIPP or personally.

For example, **our chosen bank** is currently Bank of Scotland, so any total deposits you hold above the limit between any of the following brands connected to Bank of Scotland are unlikely to be covered: Halifax, Intelligent Finance (IF), Birmingham Midshires (BM Savings), Bank of Scotland Private Banking, Bank of Scotland Germany, Lloyds Bank (in the Netherlands only), Bank of Wales and St. James's Place Bank. Some savings accounts under the AA Savings and Saga brand names are also deposits with Bank of Scotland plc. This list of brands is also subject to change at any time by Bank of Scotland.

The level of compensation may be subject to change from time to time, and you should note that the eligibility of each claim will be assessed on a case by case basis.

The underlying investments in your Barnett Waddingham SIPP may also be protected by the **FSCS** in the event of the insolvency of the investment provider. The compensation available to you will depend on the type of investments and the relevant **FSCS** rules. Visit www.fscs.org.uk for more information.
