Our annual administration fee and all other administration fees which are stated as being due 'in arrears' will be invoiced to your **Barnett Waddingham SIPP** annually in arrears on each **anniversary date**. Other fees which are stated as being due 'on completion' will be collected on completion of the relevant work.

All of our fees will be settled by disinvesting units from your **TIP** investment in accordance with your instructions using the prices on the 17th day of the month (or next **business day**) following the date of the invoice or completion of the relevant work.

3. Annual administration fee

This is our fee for the back office administration of your **Barnett Waddingham SIPP**. It includes fulfilling all regulatory and legislative requirements together with other record keeping, and issuing an annual statement to you.

It also covers the processing of personal and company contributions (except *in specie* contributions).

4. Additional administration fee

If you choose to invest in other investments in addition to the **TIP**, you will also pay an additional administration fee. The additional administration fee will accrue on the 15th day of every month (or the next **business day** if the 15th is not a **business day**) in which you hold investments in addition to the **TIP** at a monthly rate of one twelfth of the annual amount, and will be invoiced to your **Barnett Waddingham SIPP** annually in arrears on each **anniversary date**. If other investments are held for only part of a month which includes the 15th day (or the next **business day** if the 15th is not a **business day**), the full monthly fee will apply.

5. NFU Mutual TIP investments and other third party fees

Fees shown within this schedule refer only to charges made by BW SIPP LLP.

The charges for investing in the **TIP** should have been explained to you by your **NFU Mutual financial adviser**.

Some types of investments will incur associated costs from professionals such as solicitors in respect of property investments. You should fully consider all fees applicable before investing.
