## What is a SIPP?

A **SIPP** (a **self-invested personal pension scheme**) is a type of pension plan that allows you to direct how your pension monies are invested. If you have a financial adviser, your adviser is responsible for the selection and management of the underlying investments, as has been agreed with you. Otherwise, this is your responsibility.

A **SIPP** also gives you flexibility (as allowed by current legislation) on how and when you take your **retirement benefits**.

## What is the Barnett Waddingham Self Invested Personal Pension?

The **Barnett Waddingham Self Invested Personal Pension** is a **SIPP** provided by BW SIPP LLP. It is a **registered pension scheme** and is governed by a **trust deed and rules**. A copy of the **trust deed and rules** is available from our website.

BW SIPP LLP is the **operator** of the **Barnett Waddingham Self Invested Personal Pension** and is authorised and regulated by the **Financial Conduct Authority (FCA)**, the independent financial services regulator.

Where we refer to "us", "our" or "we" in this document, we mean BW SIPP LLP as the **operator**.

# Barnett Waddingham Self Invested Personal Pension aims

The **Barnett Waddingham Self Invested Personal Pension** is intended to:

- Offer you a tax-efficient and flexible way of saving for retirement;
- Allow you access to a wide range of investments;
- Pay benefits to you at any age from age 55, or on earlier **ill-health** or **serious ill-health**;
- Use any remaining funds on your death to pay benefits to your **beneficiaries**; and
- Treat you fairly in all our dealings with you.

## Your commitment

You must:

- Ensure that you understand the structure, risks and benefits of the **Barnett Waddingham Self Invested Personal Pension**, and review it regularly to ensure that it remains appropriate for your circumstances;
- Act as co-trustee of your Barnett Waddingham SIPP jointly with BW SIPP Trustees Limited, which is the **asset trustee** of the **Barnett Waddingham Self Invested Personal Pension**;
- Appoint a financial adviser to advise you how to invest your Barnett Waddingham SIPP funds, or alternatively, you must direct how your Barnett Waddingham SIPP funds are to be invested yourself;
- Accept and comply with the Terms and Conditions of the **Barnett Waddingham Self Invested Personal Pension**, as may be amended from time to time;
- Respond promptly to our requests for information, such as when paying contributions, making investments, accessing/reviewing benefits, or in respect of property valuations;
- Notify us of any changes to your personal circumstances, which may affect your Barnett Waddingham SIPP;
- Pay all fees as set out in our Schedule of Fees and be personally responsible for any charges relating to your Barnett Waddingham SIPP that we cannot deduct from your Barnett Waddingham SIPP; and
- Not make any unauthorised payments to or from your Barnett Waddingham SIPP.

## Risk factors

- The value of your Barnett Waddingham SIPP (and any income from it) may go down as well as up, and is not guaranteed. Past performance is no indication of future performance. Inflation reduces the worth of your pension benefits;
- At any point, including at the point of accessing benefits and within the cancellation period, the value of your Barnett Waddingham SIPP may be lower than the amount invested;
- Some investments may be difficult to sell; for example, commercial property and unquoted shares, and it may take time to realise the value of these investments. This may affect your ability to take benefits from your Barnett Waddingham SIPP. Please refer to our Property Guide for more information on holding property as an asset of your Barnett Waddingham SIPP;
- The returns on your Barnett Waddingham SIPP from underlying investments may be lower than shown on any illustration you have received from the investment provider, or from us;
- Your Barnett Waddingham SIPP can accept a wide range of investments, each with their own inherent risks. You should seek specialist advice from a suitably qualified and regulated individual, or you should review the fund prospectus and/or the fund fact sheet, or the Key Investor Information Document, the Key Information Document for specific details, or speak to a financial adviser before investing. We are unable to provide any legal, financial, investment or tax advice in connection with your Barnett Waddingham SIPP, or any investments;
- Your benefits may be lower than your illustration shows. This could be for a number of reasons such as the investment performance is less than illustrated, the charges increase, you pay less into your pension and/or tax rules change.

- If you transfer funds from another pension scheme to your Barnett Waddingham SIPP, the eventual benefits that you take may not be comparable. Transfers in cash will be out of the market for a specific period of time, and you will not participate in any investment growth during that time. You should take advice from a financial adviser before deciding to make a transfer;
- Our charges may change in future. We will notify you in advance if we increase our charges;
- If there is insufficient cash and investments in your Barnett Waddingham SIPP to meet any charges relating to your Barnett Waddingham SIPP, you will be liable to meet the shortfall personally;
- You should carefully consider the tax implications of taking payments from your Barnett Waddingham SIPP. You may have to pay a substantial amount of tax if you make large withdrawals in a short period; and
- Future changes to pensions and tax legislation may affect your contributions, investments, and the benefits that you can take from your Barnett Waddingham SIPP.

The above risks are not exhaustive, and are based on our understanding of current legislation, which may be subject to change.

## Questions and answers

### General information about the Barnett Waddingham Self Invested Personal Pension

#### Am I eligible for a Barnett Waddingham SIPP?

All UK residents are eligible, regardless of age or employment status, but the **Barnett Waddingham Self Invested Personal Pension** is not normally suitable if your pension fund is less than £50,000. Also, personal **tax relief** on contributions paid to your Barnett Waddingham SIPP is not available if you are aged 75 or over.

#### How flexible is the Barnett Waddingham Self Invested Personal Pension?

The **Barnett Waddingham Self Invested Personal Pension** is a comprehensive and flexible **SIPP**. Apart from the minimum fund suitability level noted above, there are no minimum contribution levels, and no requirements for a minimum level of investment. Your **Barnett Waddingham Self Invested Personal Pension** offers the full range of flexible benefits, as introduced from April 2015.

#### Is the Barnett Waddingham Self Invested Personal Pension a stakeholder pension?

No. Stakeholder pensions must meet minimum government standards covering matters such as contributions and charges, and are generally available. A stakeholder pension may meet your needs as well as the **Barnett Waddingham Self Invested Personal Pension** and may have lower charges.

#### How much does it cost?

##### Our fees

Our fees are set out in our **Barnett Waddingham Self Invested Personal Pension** Schedule of Fees, which you should read carefully.

##### Your financial adviser's charges

If you have a financial adviser, your adviser's charges may be met directly from your Barnett Waddingham SIPP assets. You may also incur additional fees in respect of your investments, or from other professional advisers.

##### Deduction of fees and charges from your Barnett Waddingham SIPP

Our fees and your financial adviser's charges, and any other charges arising in respect of your investments, are usually deducted from the cash in your Barnett Waddingham SIPP.

If there is insufficient cash, you must either pay in extra cash, or instruct us which assets to sell to meet the fees and charges. If we are unable to disinvest assets, or if there are insufficient assets in your Barnett Waddingham SIPP to meet any outstanding charges, costs or expenses, we will take all steps that we consider reasonable to recover the shortfall from you personally.

### Can I transfer other pension plan funds to my Barnett Waddingham SIPP?

You can transfer other pension plan funds to your Barnett Waddingham SIPP with our consent. If you have appointed a financial adviser, you should consult with him/her before deciding to transfer. We can only accept a transfer from a **defined benefit scheme**, or from a pension scheme or policy which contains a **guaranteed annuity rate (GAR)** if you have taken advice from a financial adviser in respect of the transfer, and he/she has recommended that the transfer proceeds.

Transfers must be from a **registered pension scheme** or a **recognised overseas pension scheme (ROPS)** and can be made in cash or **in specie**.

We may accept a transfer of a **flexi-access drawdown fund** and a **capped drawdown fund**.

### How will you look after my Barnett Waddingham SIPP?

Your personal Barnett Waddingham SIPP is an individual **SIPP** issued under the **Barnett Waddingham Self Invested Personal Pension**.

You will be a trustee of your Barnett Waddingham SIPP, along with the **asset trustee**. This approach allows you to have more control over your Barnett Waddingham SIPP and its underlying investments. The **asset trustee** holds the scheme assets for the benefit of you and all the other **members**.

As operator, BW SIPP LLP is authorised and regulated by the **FCA** and is responsible for administering and running the **Barnett Waddingham Self Invested Personal Pension** on a day-to-day basis.

## Contributions and tax relief

### Who can pay contributions into my Barnett Waddingham SIPP?

You can pay personal contributions into your Barnett Waddingham SIPP, and contributions can also be made by another person on your behalf. This can include your partner, spouse, employer and some third parties. However, contributions will only be eligible for tax relief, as detailed below.

### Is there a minimum amount?

There is no minimum contribution amount, although a Barnett Waddingham SIPP is unlikely to be suitable for investment in a broader investment range if the initial funds contributed (including any transfers-in) are less than £100,000 (gross).

### How are contributions paid?

Regular contributions must be paid by direct debit. Single contributions can be paid by BACS, CHAPS, direct bank transfer, or faster payments. You may also be able to contribute assets **in specie**; however, these must be agreed with us in advance, and if we do allow the contribution to proceed, a strict process must be followed.

### What tax relief am I entitled to on my contributions?

**Tax relief** is available on personal contributions if you are a **relevant UK individual**; that is, someone who is resident in the UK for tax purposes at some point during the tax year, or who otherwise has **relevant UK earnings** subject to UK income tax.

Employer contributions are paid gross, (with any corporation **tax relief** available claimed by the employer), so there is no need for us to claim the **tax relief** on your behalf.

Once you reach age 75, personal contributions do not qualify for **tax relief** although employer contributions may continue to qualify.

HMRC sets a limit to restrict the **tax relief** that is available to individuals on an annual basis, which is called the **Annual Allowance**. **Tax relief** can be claimed on personal contributions up to 100% of your **relevant UK earnings** for the tax year, (but subject to the prevailing **Annual Allowance**, if lower), or the 'basic amount', (which is £3,600 (gross) until the government notifies otherwise), if you do not have any **relevant UK earnings**, or if these are less than £3,600.

We will assume that all contributions paid by you are eligible for **tax relief**, and it is your responsibility to let us know if this is incorrect. At our discretion, we may accept contributions that do not qualify for **tax relief**.

### How do I get the tax relief?

We will claim any basic rate relief you are entitled to directly from **HMRC**. Currently, this means that for each £80 that you personally contribute, we will claim £20 on your behalf and credit this to your Barnett Waddingham SIPP.

If you pay tax at higher than basic rate, you are responsible for claiming any additional **tax relief** yourself from **HMRC** via your **self-assessment** tax return.

### What is the annual allowance?

The **Annual Allowance** is £60,000 (gross) for the tax year 2024/25 and for each subsequent tax year, until the government notifies otherwise. However, if you take **flexible benefits**, the maximum amount you can contribute to your Barnett Waddingham SIPP and to all other **money purchase pension schemes** is restricted to £10,000 (gross) for the tax year 2024/25 and for each subsequent tax year, until the government notifies otherwise. This is known as the **money purchase annual allowance (MPAA)**. You can contribute the remaining portion of the overall **Annual Allowance** to **defined benefit schemes**.

Some individuals may be subject to a tapering of the **Annual Allowance**. Please refer to the Terms and Conditions document for more details.

### What happens if I exceed the annual allowance?

If you exceed the **Annual Allowance** and are not able to **carry forward** sufficient unused **Annual Allowance** from the previous three tax years, you will have to pay the **Annual Allowance charge** on the excess. The **Annual Allowance charge** will be based on the marginal rate of **tax relief** due on the contribution, and is paid by submitting a self-assessment tax return to **HMRC**. You are responsible for this, as you may have multiple pension arrangements.

## Banking arrangements

We have **client accounts** in our name with **our chosen bank** which are used collectively for all **Barnett Waddingham Self Invested Personal Pension members**.

One of these accounts is a **client money account** in which we hold cash as client money in accordance with **FCA** requirements.

**Our chosen bank** pays interest to you, which is currently tax-free, on any cash that you hold in the **client money account**.

Subject to the bank base rate amount, from time to time, we may also receive interest on the total cash deposits held in the **client accounts**. The current interest rates paid by **our chosen bank** are found in our Banking Arrangements document which is available from us on request and on our website at [www.barnett-waddingham.co.uk/barnett-waddingham-sipp](http://www.barnett-waddingham.co.uk/barnett-waddingham-sipp)

You may also have a **current account** with **our chosen bank** or another bank of your choice, which is held in the joint names of yourself and the **asset trustee**. Interest is paid tax-free on the cash held in a **current account** with **our chosen bank** in the same way as it is paid on cash in the **client money account**.

Some banks may pay us commission for certain deposit types, but we will not take commission where it is possible to switch it off.

You will need to ensure that there is sufficient cash in the **client money account**, or in your **current account** if you have one, to meet the day to day liabilities of your Barnett Waddingham SIPP, for example, for administration fees, mortgage payments and **drawdown pension** payments.

We reserve the right to change **our chosen bank** or our banking arrangements at any time. If we do, we will provide the relevant details on our website and will give you written notice if we change **our chosen bank**.

## Investments

### Where is my money invested?

Money will remain invested in cash in the **client money account**, or in your **current account** if you have one, until you inform us how you wish to invest it. This includes any tax relief received after you have invested your net contributions.

We will check that the investments you select are legally allowed and, for **non standard investments**, that they pass our due diligence requirements. Common investments selected are stocks and shares, investment funds, commercial property and land. Purchase of **residential property** (except for exempted property) and personal borrowing from your Barnett Waddingham SIPP are not allowed.

Please be aware that we are not able to buy and sell shares on your behalf. You will need to use a stockbroker, or access an on-line share dealing platform, in order to buy and sell shares through your Barnett Waddingham SIPP.

It is important that you read the Allowable Investment Schedule to satisfy yourself that we will be able to hold the investments you choose. This document can be accessed from our website at [www.barnett-waddingham.co.uk/barnett-waddingham-sipp](http://www.barnett-waddingham.co.uk/barnett-waddingham-sipp).

### Commercial property

If you want to invest in commercial property through your Barnett Waddingham SIPP, please read our Property Guide and complete our Property Purchase Questionnaire, available from our website, before proceeding. Our fees, and the fees of the solicitor, surveyor and all other related costs will be met from your Barnett Waddingham SIPP. Please refer to our Property Fee Schedule for more details.

### How are the investments taxed?

Investments grow free of UK capital gains tax and income is paid free of UK income tax. The key exceptions to this are tax on UK dividends, which cannot be reclaimed, and profits from being a member of a (property investment) LLP.

### How will I know how my Barnett Waddingham SIPP is performing?

We will send you a statement each year showing the value of your Barnett Waddingham SIPP fund. This will give you an updated projection of your benefits, on a given set of assumptions. This is issued for guidance purposes only and there is no guarantee that your Barnett Waddingham SIPP will be able to provide the illustrated figures.

You can request additional valuations during the year, but there may be an extra charge for this. You are usually able to obtain valuations of the underlying investments directly from the relevant investment providers.

We accept no responsibility for the performance of your selected investments, or for any liabilities which may be associated with them. Neither we, nor the **asset trustee** will be liable to you for any claims, costs, expenses or losses arising to your Barnett Waddingham SIPP and its underlying investments, as a result of any loss on the investments in your Barnett Waddingham SIPP.

## Retirement benefits

### When can I take my money out?

You can only normally take benefits once you have reached age 55 (57 from 2028), but you may be able to do so earlier on grounds of **ill-health** or **serious ill-health**, or if you have a **protected pension age**.

Other than the cancellation periods detailed later in the "Can I change my mind?" section, there is no further opportunity to cancel your Barnett Waddingham SIPP and have monies returned to you; they must be paid out as authorised benefits on retirement, or transferred to another UK **registered pension scheme** (or overseas equivalent).

## What income can I receive?

### Drawdown pension

You can choose to receive income, subject to PAYE income tax, by keeping your Barnett Waddingham SIPP fund invested, and drawing pension income from the fund directly.

If you designate funds into drawdown for the first time on or after 6 April 2015, the funds will be designated into a **flexi-access drawdown fund**. There is no limit on the amount that you can draw each year, and you can take payments as one or more lump sums, or as regular income payments. You can choose to designate new funds into a **flexi-access drawdown fund** in stages, although the minimum amount in each stage is £1,000.

You should make sure that you understand how much tax you will have to pay before you decide how much **flexi-access drawdown pension** to take. If you take several large payments in a short period of time, you may be liable to pay a lot of income tax.

If you have a **capped drawdown fund** under another pension scheme, you can choose to transfer this to your Barnett Waddingham SIPP and to continue taking a **capped drawdown pension**, or to convert this to a **flexi-access drawdown fund**.

### Buying an annuity

You can also choose to receive taxed income by purchasing an **annuity** or a **short-term annuity** from a provider on the open market, with some or all of the funds in your Barnett Waddingham SIPP.

## What are the lump sum allowances?

From 6 April 2024, the **Lump Sum Allowance (LSA)** and **Lump Sum and Death Benefit Allowance (LSDBA)** replace the **Lifetime Allowance**. They limit the value of tax-free **lump sums** you can take across all of your pensions.

If a **lump sum** is paid that exceeds your available allowances, the excess amount will be subject to income tax at your marginal rate.

If you hold any **Lifetime Allowance** protections, these will still apply to the **LSA** and **LSDBA**.

## What lump sum payments can I receive?

### Pension commencement lump sum

When you designate new funds into **drawdown pension** or to purchase an **annuity** depending on your available lump sum allowances, you can take a cash lump sum known as a **pension commencement lump sum (PCLS)**. The amount is currently up to 25% of the value of the funds you have designated to be **crystallised** into **drawdown pension**, or which are used to purchase the **annuity**, and at present it is paid tax-free.

### Uncrystallised funds pension lump sum

If you are eligible to do so, you can choose to access some or all of the uncrystallised funds in your **SIPP** by taking an **Uncrystallised Funds Pension Lump Sum (UFPLS)**.

Usually, 25% of the UFPLS will be tax-free with the rest subject to income tax at your marginal rate. Depending on your available **lump sum allowances**, the tax-free amount may be less than 25%.

There is a minimum amount of £1,000, and you can take a single or series of **UFPLS** in this way, although you must consider the amount of tax that will be payable if you take large payments.

## What benefits might I receive?

The benefits that you might receive depend on the value of the investments in your Barnett Waddingham SIPP when you retire. The rate of income available from an **annuity** or under **drawdown pension** will depend on a number of factors on top of funds

available, including some or all of the following; your age, health and lifestyle, form of pension, any spouse's or beneficiary's provision, and underlying investment yields.

We will issue you with a yearly statement, which will give you an updated projection of your benefits on a given set of assumptions. These are issued for guidance purposes only, and there is no guarantee that your Barnett Waddingham SIPP will be able to provide the illustrated figures.

## Death benefits

### What happens to my Barnett Waddingham SIPP when I die?

We will decide who to pay your remaining SIPP fund to, on your death, and how much each recipient should receive. We will take account of any **beneficiaries** you nominate in an **expression of wishes** form, but this is not binding on us. Payment of benefits will be made at our discretion, and in line with the scheme **trust deed and rules**. This is so that your **beneficiaries** do not end up paying inheritance tax on the death benefits they receive.

**Beneficiaries** do not have to be **dependants**. You can also nominate trusts and charities, and not just individuals.

Death benefits can be paid to beneficiaries as a cash lump sum, or as income from a **flexi-access drawdown fund** or an **annuity**.

The tax treatment of death benefits depends on whether you die before or after age 75, and on your available **lump sum and death benefit allowance (LSDBA)** at the time of your death. Please refer to the Terms and Conditions for more details.

## Cancellation

### Can I change my mind?

Once we accept your application, we will send you a cancellation notice and form. You will then have 30 days from the date you receive the cancellation notice to cancel your Barnett Waddingham SIPP and you must confirm this by completing and returning the cancellation form to us, using the contact details given in the 'How to contact us' section.

If you cancel your Barnett Waddingham SIPP within the first 30 days, the amount you will receive back depends on the type of payment made;

- If you have made a cash contribution that has not been invested, the value of your contribution will be returned to you with any interest that has been paid to you by **our chosen bank** in respect of your contribution. Interest that has not been paid to you, but has accrued on your contribution, will not be included;
- If you have made an investment, you will receive back the value of the underlying investment, which may be more or less than the initial amount that you invested; and
- If you cancel a transfer payment, the value of the underlying investments will be returned to the transferring scheme – where possible – which may be lower than the transfer value that was originally transferred to your Barnett Waddingham SIPP. If the transferring scheme refuses to accept the returned transfer payment, you must select an alternative pension scheme to which the transfer payment can be paid.

After the first 30 days, cancellation rights will also apply to any additional cash transfer payments. However, if you want to make a transfer to your Barnett Waddingham SIPP from a **defined benefit scheme** or a pension scheme or policy that contains a **GAR**; either within the first 30 days or subsequently, we will not normally request the transfer until the 30 day right to withdraw period has expired, unless you choose to waive the right to cancel, and have confirmed this to us in writing.

If you want to make an **in specie** transfer of assets; either within the first 30 days or subsequently, we will not arrange the transfer until the 30 day transfer cancellation period has expired, unless you choose to waive the right to cancel, and have confirmed this to us in writing.

Cancellation rights also apply to every **crystallisation** into **drawdown pension**, and payment of an **UFPLS**. You must return any income and lump sum to us within 30 days from the date you receive the cancellation notice.

You will not be entitled to a further cancellation period in relation to additional contributions made to your Barnett Waddingham SIPP after the first 30 days following its establishment.

In all cases where cancellation rights apply, you will have 30 days from the date you receive the cancellation notice to cancel the payment or transfer.
