1. Introduction

This document is for **NFU Mutual** clients and records the terms and conditions of business you have with us for your Barnett Waddingham Self Invested Personal Pension (the **scheme**). By taking out a **Barnett Waddingham SIPP**, you become a **member** of the **scheme**.

These terms and conditions form a legally binding agreement between:

- you, the **member**, and
- us, BW SIPP LLP, the **operator**.

They are complemented by, and must be read in conjunction with, the following documents, which are available from your **NFU Mutual Financial Adviser**, or from us on request:

- Key Features;
- any Key Features illustration provided to you;
- Glossary;
- Allowable Investment Schedule;
- Schedule of Fees;
- **Trust Deed and Rules**; and
- your application.

Words or phrases that are shown in '**bold**' are explained in the Glossary, which forms part of these terms and conditions. Where we refer to 'us', 'our' or 'we', we mean BW SIPP LLP acting as the **operator**.

We will treat you as a "retail client" under **Financial Conduct Authority (FCA)** rules. A retail client benefits from a higher degree of protection than other types of clients under the applicable law.

These terms and conditions are the basis on which we will provide services to you. If they are not acceptable to you, you should not proceed with the **Barnett Waddingham SIPP**.

These terms and conditions apply from the date that we receive and accept a properly completed application to commence a **Barnett Waddingham SIPP** from your **NFU Mutual financial adviser** on your behalf. However, if they are replacing a previous set of terms and conditions following subsequent changes, they will apply from a date that we notify you of. We will give you at least 30 days' written notice of any changes.

Where these terms and conditions are replacing a previous set and you are not agreeable to these changes, you must notify us in writing of this within 30 days, and we will assist you in transferring to an alternative **registered pension scheme**.

2. Background

The **scheme** is a **registered pension scheme** and is used to provide pension and lump sum benefits to its **members** and their **beneficiaries**. A **self-invested personal pension (SIPP)** is defined as a designated investment (**personal pension scheme**) in accordance with the Financial Services and Markets Act 2000 (as amended). This means that a **SIPP** is a product regulated by the **FCA**.

The **scheme** is established and governed by a **trust deed and rules**. If there are any inconsistencies between these terms and conditions and the **trust deed and rules**, the **trust deed and rules** will take precedence. A copy of the **trust deed and rules** will be issued to you when you apply to take out a **Barnett Waddingham SIPP** and is also available from us on request.

3. Our role and services

Our role

BW SIPP LLP is the **operator** of the **scheme** and is authorised and regulated by the **FCA**.

BW SIPP Trustees Limited is the **trustee** of the **scheme**. It is a non-trading company and is a bare trustee. This means that its sole purpose is to hold the **scheme** assets for the benefit of you and all the other **members**. The **trustee** is not regulated by the **FCA**.

If you commenced your **Barnett Waddingham SIPP** before 1 October 2014, you will be a co-trustee with the **trustee**, and you will jointly hold the assets in your **Barnett Waddingham SIPP** with the **trustee**. If you commenced your **Barnett Waddingham SIPP** on or after 1 October 2014, the **trustee** will hold the assets in your **Barnett Waddingham SIPP** in its sole name.

Any powers or discretions which the **trustee** uses to carry out its role will only be exercised in accordance with BWSIPP LLP's instructions.

Where any activity could result in the **trustee** no longer qualifying as a bare trustee, the activity will be carried out by us to the exclusion of the **trustee**.

Our services

We will :

- establish your **Barnett Waddingham SIPP** ;
- maintain the scheme in line with **legislation and regulation**;
- prepare documentation to allow the making of claims for **tax relief**;
- open and maintain **client accounts** with **our chosen bank**;
- maintain appropriate records; for example, a record of contributions paid;
- liaise with you and/or your **NFU Mutual financial adviser** in respect of changes to the **scheme**, including changes in limits on contributions and benefits;
- implement your investment proposals except where to do so would be prohibited by regulation, law or by our internal investment policy (see section 9);
- make any necessary arrangements to allow the purchase or sale of your **Barnett Waddingham SIPP** investments;
- act in line with your instructions and, if you are investing in property in addition to the **NFU Mutual Trustee Investment Plan (TIP)**, receive property income, pay outgoings, and liaise as necessary with solicitors and managing agents;

- settle the benefits due under your **Barnett Waddingham SIPP** by the payment of cash and income (and, in certain circumstances, by an **in specie** payment), with the deduction of income tax as appropriate, and/or by the purchase of an **annuity**; and
- pay charges from your **Barnett Waddingham SIPP** to **NFU Mutual Select Investments Limited**, as agreed in writing between you and your **NFU Mutual financial adviser**.

Other services

We may perform other services if we are asked by you, (and we are allowed to do so), or if we are required to do so by **legislation and regulation**. Any such services provided may be subject to additional time cost fees if the services are requested by you, or special fees if they are required by **legislation and regulation**.

4. Membership

You are eligible to establish a **Barnett Waddingham SIPP** and to become a **member** of the **scheme** if you are a UK resident. Your membership is based on the information disclosed in your application. The submission of your application to us means that you have agreed to establish your **Barnett Waddingham SIPP** and to become a **member** of the **scheme**.

If you are a parent or legal guardian you may apply for membership on behalf of a child under the age of 18. We will take instructions from you until the child reaches age 18 then, on their acceptance of our current terms and conditions, we will take instructions from them.

We have legal obligations regarding the detection, reporting and prevention of fraud, money laundering and terrorist activity. We are required to take action where we have suspicions about the use of, or any activity concerning, any accounts or amounts we hold or any facilities we provide.

We will verify your identity or any other person's or entity's identity if they are introducing money to your **Barnett Waddingham SIPP**. You will provide us with satisfactory documentation to verify your identity, or the identity of any party introducing money to your **Barnett Waddingham SIPP**, and this is a requirement before we are able to establish your **Barnett Waddingham SIPP** and/or act under your instructions. Until verification has been satisfactorily completed and our welcome letter issued to you, we cannot accept money into your **Barnett Waddingham SIPP**.

Where we are legally permitted to do so, we will advise you of any investigation, or of any delay arising from any such investigation. We may be obliged to refuse transactions or instructions. We will not be liable to you or any third party for any loss or damage arising from any action we may take, as a result of our legal obligations.

5. Your NFU Mutual financial adviser

We act on an **execution-only** basis, and are not therefore responsible for giving, and shall not be deemed to have given, any legal, financial, investment, tax or any other advice in connection with your **Barnett Waddingham SIPP** or any underlying investments or decisions associated with it.

Your **NFU Mutual financial adviser** is responsible for providing financial advice about the suitability of your **Barnett Waddingham SIPP** and investment in the **NFU Mutual Trustee Investment Plan (TIP)**. We will assume your relationship with your **NFU Mutual financial adviser** continues until you inform us otherwise.

If you want to invest in a broader range of assets in addition to the **TIP**, you may wish to appoint another financial or professional adviser to advise you in relation to your investment choices, and we strongly recommend that you do so.

6. Cancellation

First 30 days

When we accept your membership application, we will send you a cancellation notice and form. If you wish to cancel your **Barnett Waddingham SIPP**, you have 30 days from the date you receive the cancellation notice to confirm this by completing and returning the cancellation form to us.

If you cancel your **Barnett Waddingham SIPP** and have made a cash contribution within the first 30 days that has not been invested, the value of your contribution will be returned to you with any interest that has been paid to you by **our chosen bank** in respect of your contribution. Interest that has not been paid to you, but has accrued on your contribution, will not be included.

You are not entitled to a further cancellation period in respect of additional contributions made to your **Barnett Waddingham SIPP** after the first 30 days following its establishment.

Investments

If you cancel your **Barnett Waddingham SIPP** and have made an investment in the **TIP** or in any other investments within the first 30 days, you will receive back the value of the underlying investment, which may be more or less than the initial amount that you invested.

If you are investing in a broader range of investments in addition to the **TIP**, we will not act on instructions for investments received from you or your financial adviser that, in our opinion, are unlikely to be able to be realised or cancelled within 30 days, until the first 30 day cancellation period has expired, unless you choose to waive the right to cancel and have confirmed this to us in writing. However, we will act on instructions for all other investments received from you or your financial adviser within the first 30 days.

You do not have the right to cancel any investments in your **Barnett Waddingham SIPP** unless the investment itself has a specific cancellation period.

Transfers

If you have made a transfer payment within the first 30 days to your **Barnett Waddingham SIPP** from a **money purchase pension scheme** and you decide to cancel your **Barnett Waddingham SIPP**, the value of the underlying investments will be returned to the transferring plan, which may be lower than the amount that was originally transferred. If the transferring plan refuses to accept the returned transfer payment, you must select an alternative pension plan to which the transfer payment can be paid. Any subsequent transfers to your **Barnett Waddingham SIPP** from other **money purchase pension schemes** after the first 30 days of the plan being set up will be treated identically.

If you want to make a transfer to your **Barnett Waddingham SIPP** from a **defined benefit scheme** or a pension scheme or policy that contains a **guaranteed annuity rate (GAR)**, either within the first 30 days or subsequently, we will not request the transfer until the 30 day right to withdraw period has expired, unless you choose to waive the right to withdraw and have confirmed this to us in writing.

If you want to make an **in specie** transfer of any assets to your **Barnett Waddingham SIPP**, either within the first 30 days or subsequently, we will not arrange the transfer until the 30 day transfer cancellation period has expired, unless you choose to waive the right to cancel and have confirmed this to us in writing.

Drawdown pension

If you crystallise funds into **drawdown pension** and then take a **pension commencement lump sum (PCLS)** and/or income either within the first 30 days or subsequently, and then change your mind, you must return any **PCLS** and/or income received to us within 30 days from the date you receive the cancellation notice. The returned funds will remain in cash until you instruct us how you want them invested.

If you convert a **capped drawdown fund** to a **flexi-access drawdown fund**, you do not have the right to cancel the conversion.

Uncrystallised funds pension lump sum (UFPLS)

If you take an **UFPLS** either within the first 30 days or subsequently, and then change your mind, you must return the full **UFPLS** to us within 30 days from the date you receive the cancellation notice. The returned funds will remain in cash until you instruct us how you want them invested.

7. Contributions

Paying contributions

You accept that you will not make any **unauthorised payments** to (or from) your **Barnett Waddingham SIPP**.

There is a minimum initial contribution of £50,000 (gross), of which at least £25,000 must be invested in the **TIP**. The £50,000 minimum includes any transfer payments made to your **Barnett Waddingham SIPP**.

You may pay regular or single contributions and we will accept contributions paid on your behalf by a spouse, partner, employer and some third parties. All regular payments will be collected by direct debit, and you can choose either the 1st or the 15th of the month as the collection date. If you wish to stop or change the amount of your regular contributions or the collection date, you must give us ten **business days'** notice in writing by email or by post.

Single contributions can be paid by BACS, CHAPS, direct bank transfer or faster payments, and you must notify us by email or in writing prior to each single contribution being paid. Failure to notify us in advance of your contributions could lead to these being returned by us. However, if you want to make a single contribution when you first set up your **Barnett Waddingham SIPP**, we will write to you or your employer to request the contribution.

The Government have confirmed that making a contribution to your SIPP from 6 April 2023 will no longer invalidate **Enhanced** or **Fixed Protection** (unless you obtained **Enhanced** or **Fixed Protection** on or after 15 March 2023). We recommend you speak with a financial adviser before making any decision to pay a contribution if any of these protections apply to you.

Tax relief

You will not qualify for **tax relief** on any personal contributions paid after you have reached age 75 or on any contributions paid above the higher of 100% of your **relevant UK earnings** or £3,600 gross, but subject to the **annual allowance**. We will assume all contributions paid by you are eligible for **tax relief**, and it is your responsibility to let us know if this is incorrect. At our discretion, we may accept contributions that do not qualify for **tax relief**.

We will apply to **HM Revenue and Customs (HMRC)** each month for the **tax relief** due on all contributions paid (excluding any employer contributions which are paid gross). We will only apply the **tax relief** to your **Barnett Waddingham SIPP** once we have received it from **HMRC**. It usually takes six to eleven weeks for a **tax relief** claim to be paid (although **HMRC** sometimes audit claims which might result in a delay).

If you are a higher or additional rate tax payer, you may be able to claim additional **tax relief** through a self-assessment tax return or directly from **HMRC**.

Money purchase annual allowance

If you take **flexible benefits**, the maximum amount you can contribute to your **Barnett Waddingham SIPP** and to all other **money purchase pension schemes** which is eligible for **tax relief** is restricted to £10,000 (gross) for the tax year 2024/25 and for each subsequent tax year until the Government notifies otherwise. This is known as the **money purchase annual allowance (MPAA)**. You can contribute the remaining portion of the overall **annual allowance** to **defined benefit schemes**.

The **money purchase annual allowance** is triggered if any of the following events occur:

- you take pension income from a **flexi-access drawdown fund** (including income paid from a **short-term annuity**);
- you notify us that you want to convert your **capped drawdown fund** to a **flexi-access drawdown fund** and, after we process your notification, you then take pension income from that fund;
- you draw more pension income from your **capped drawdown fund** than the **maximum income limit**;
- a valid declaration was accepted before 6 April 2015 that you met the **flexible drawdown** conditions;
- you take an **UFPLS**; or
- you receive a payment from an **annuity** which allows, or could be varied to allow, income to decrease.

Payment of a **PCLS** alone from a without any payment of pension income will not trigger the **money purchase annual allowance**.

Tapered Annual Allowance

The amount you can pay in each tax-year may be reduced if you're subject to tapering of your annual allowance. This will only apply if your earnings are above limits set by the Government.

Carry forward and the AA charge

If you trigger the **money purchase annual allowance**, you cannot **carry forward** any unused **annual allowance** in respect of **money purchase pension schemes** from previous tax years. However, you may be able to **carry forward** any unused **annual allowance** to **defined benefit schemes**. If you exceed the **money purchase annual allowance**, you will be liable to pay the **annual allowance charge** on the excess.

If you do not trigger the **money purchase annual allowance** and you exceed the **annual allowance**, you may be able to **carry forward** any unused **annual allowance** from the previous three tax years. **Carry forward** is subject to a maximum of the **annual allowance**, or tapered **annual allowance** where applicable, for each tax year, and the amount you can **carry forward** is reduced by the **annual allowance**, or tapered **annual allowance**, that you have used during those tax years. If you use **carry forward**, the full amount contributed by you must be within your **relevant UK earnings** for the tax year in which the payment is made. Any **annual allowance** which is carried forward cannot be used to increase the **money purchase annual allowance**.

If you do not trigger the **money purchase annual allowance** and you pay contributions above the **annual allowance**, or tapered **annual allowance**, and are not able to **carry forward** any unused **annual allowance** from the previous three tax years, we will not be able to refund the excess contributions unless the contributions exceed your **relevant UK earnings** for the tax year. If your contributions exceed your **relevant UK earnings** for the tax year, we will refund the excess **tax relief** claimed to **HMRC** and the excess net contribution to you or if lower, the fund value attributable to it. You will be liable to an **annual allowance charge** on any amount in excess of your **annual allowance**, or tapered **annual allowance**, plus available **carry forward** which cannot be refunded or is not refunded.

8. Transfers

Transfers to your Barnett Waddingham SIPP

You can transfer other pension plan funds to your **Barnett Waddingham SIPP** with our consent. You should consult your **NFU Mutual financial adviser** before deciding to make a transfer. We can only accept a transfer from a **defined benefit scheme** or a pension scheme or policy which contains a **Guaranteed Annuity Rate (GAR)** if you have taken advice from your **NFU Mutual financial adviser** in respect of the transfer, and they have recommended that the transfer proceeds.

On receipt of a signed declaration requesting a transfer, either as part of your **Barnett Waddingham SIPP** application or submitted separately, we will make contact with the transferring scheme to arrange payment.

Transfers must be from a **registered pension scheme** or a **recognised overseas pension scheme (ROPS)**, and will be administered as follows:

- Cash transfers from a **money purchase pension scheme**, a **personal pension scheme** or a **defined benefit scheme**: we will notify you on receipt of the monies from the transferring scheme; and
- **In specie** transfers from a **money purchase pension scheme** or a **personal pension scheme**: you may need to provide us with further information to assist with the transfer, and any transfer is subject to our approval of the asset being transferred.

We may accept a transfer of a **flexi-access drawdown fund**, a **capped drawdown fund**, a **dependant's flexi-access drawdown fund**, a **nominee's flexi-access drawdown fund** and a **successor's flexi-access drawdown fund**.

All transfer payments will be held initially in the **client money account**, and will then be paid or invested in accordance with your instructions.

Transfers from your Barnett Waddingham SIPP

You can transfer all or part of your **Barnett Waddingham SIPP** to another **registered pension scheme** or a **qualifying recognised overseas pension scheme (QROPS)** if sufficient due diligence can be carried out to our satisfaction in accordance with **HMRC** requirements. At our discretion, in certain circumstances we can refuse to make a transfer.

If you transfer to a QROPS from 6 April 2024, the transfer value will be tested against your available **Overseas Transfer Allowance (OTA)**. If the transfer value exceeds your available allowance, the excess may be subject to the **Overseas Transfer Charge (OTC)**. This is a tax charge of 25%. The value of pension benefits you've taken before 6 April 2024, including transfers to QROPS, will reduce your available **OTA**.

If you are transferring part of your **Barnett Waddingham SIPP** and you only have a **TIP** investment, you must instruct us which units to sell before the transfer. All units will be disinvested using the price at the date of your instruction to us.

If you are transferring part of your **Barnett Waddingham SIPP** and you have assets in addition to your **TIP** investment, then unless the transfer is to be made in cash or **in specie**, you must instruct us which assets to sell before the transfer. There may be a cost for selling these assets. For assets other than property, you must give us **30 business days'** written notice instructing us which assets to sell. We will usually implement your instructions within five **business days**, or otherwise as soon as we reasonably can. If it is necessary to sell a property or any other asset that takes longer than **30 business days** to encash, the transfer will be delayed until the property or asset has been sold. If you want to transfer part of your **Barnett Waddingham SIPP** from which you are taking **drawdown pension**, that part must be transferred in full to another pension scheme that can provide you with **drawdown pension**.

Transfers can be paid by CHAPS or, except for units in your **TIP** investment, by a transfer **in specie**. All **in specie** assets must be transferred before we transfer any cash element. Any transfers, including those to a **QROPS**, must meet **HMRC** requirements.

We may receive small additional payments after you have transferred out all of your **Barnett Waddingham SIPP** (for example, from a subsequent share dividend payment or an interest payment). Where possible, we will pay these to the receiving provider or **beneficiary** after firstly deducting our fee. If the receiving provider refuses to accept the funds, we will deduct our administration time cost fee and pay any residue to the **member** where permitted under **HMRC** rules, or to another **registered pension scheme** of the **member's** choice.

9. Investments

NFU Mutual Trustee Investment Plan (TIP)

You must invest at least £25,000 of your initial minimum investment of £50,000 (gross) in the **TIP** on commencement of your **Barnett Waddingham SIPP**. Your **NFU Mutual financial adviser** will explain the operation of the **TIP** to you and will provide you with a **TIP** Key Features Document.

If you choose a temporary investment payment in the **TIP**, we will leave your **TIP** holding there until you instruct us otherwise.

Your minimum **TIP** investment of £25,000 (including any investment growth on that investment) must be maintained in your **Barnett Waddingham SIPP** until all the assets in your **Barnett Waddingham SIPP** are transferred out to another **registered pension scheme** or to a **QROPS**, or used to provide **retirement benefits** for you or any of your **dependants, nominees or successors**, or if any or all of the units in your **TIP** investment need to be sold to meet any fees, charges or expenses as detailed in the disinvestment strategy in section 12.

If you are taking **drawdown pension**, you must maintain the minimum investment of £25,000 in the **TIP** until all the assets in your **Barnett Waddingham SIPP** are used in one of the ways described above.

If you do not maintain at least £25,000 in the **TIP**, or if you realise the whole or any part of your **TIP** investment in circumstances other than those described above, the terms and conditions of your membership of the **scheme** (including the fees and charges payable) will be referred to **NFU Mutual** for consideration. We reserve the right to revert your **Barnett Waddingham SIPP** onto the higher charging structure applicable to non-**NFU Mutual scheme members** as advised by us to **NFU Mutual** from time to time.

Other investments

If you want to invest in other investments in addition to the **TIP** then, subject to the **TIP** requirements detailed above, money will remain in cash in the **client money account** until we are instructed otherwise.

You, in conjunction with your financial or professional adviser if you have one, are responsible for selecting the investments in your **Barnett Waddingham SIPP**. Please refer to our Allowable Investment Schedule for details of permitted investments.

You accept that you will not make any investments that may lead to **unauthorised payments**, and you take full responsibility for the suitability and appropriateness of the investments that you make and if applicable the management of those investments.

If you want to invest in uncommon or unregulated investments, our **investment committee** must firstly decide whether such investments are permitted by our internal investment policy, **HMRC** and the **FCA**.

We will not complete the formalities required to buy or sell investments until we have received the full paperwork from you, your financial or professional adviser.

We will stop the purchase or sale of an investment if the occurrence of an event or circumstance is brought to our attention which, in our opinion, and in line with our internal investment policy, makes it inappropriate to follow your directions. Otherwise, we will treat all instructions to buy or sell investments as binding and we will not stop processing instructions once we have received them

until you, your financial or professional adviser notifies us in writing to the contrary. If a sale or purchase is already in progress when we receive such a notification, it may not be possible to cancel that transaction.

We cannot buy and sell quoted investments such as shares directly. This must be conducted through a third party such as a discretionary fund manager or an online trading platform.

We may impose a restriction on the amount that may be invested in **non-standard investments** and we will write to you to let you know the reasons for such a decision.

Commercial property

If you want to invest in commercial property through your **Barnett Waddingham SIPP**, please read our Property Guide before proceeding. The Guide does not form part of these Terms and Conditions, and is for information only.

If you decide to proceed with a property purchase, you must accept the terms of our Property Purchase Questionnaire and sign the declaration in the fully completed Questionnaire. Our fees, and the fees of the solicitor, surveyor, together with any stamp duty and any other related costs and charges will be met from your **Barnett Waddingham SIPP**. Please refer to our Fee Schedule for more details.

The property and any associated borrowing will be held in the name of the **trustee**, and co-trustee where applicable, as an asset of your **Barnett Waddingham SIPP**.

At our discretion, we can refuse to proceed with a property purchase if our due diligence process finds it to be unsatisfactory, or would give rise to punitive tax charges under **HMRC** rules, or if additional information comes to light which means we need to change our decision.

Investment committee

We have established an **investment committee** to review any uncommon or unregulated investments. The purpose of the **investment committee** is to decide whether investments are permitted by our internal investment policy, **HMRC** and the **FCA**, and to ensure we are able to meet our regulatory responsibilities.

The **investment committee** will not judge investment performance, or have any responsibilities for any decision made by you to purchase, retain or sell the investments in your **Barnett Waddingham SIPP**. Neither we nor the **investment committee** will be liable for any losses, claims, costs or expenses incurred by your **Barnett Waddingham SIPP**, arising from any such decision.

In line with our internal investment policy, the **investment committee** may not allow investments if they:

- could potentially lose more than the initial capital invested;
- may incur an **unauthorised payment** charge;
- provide unnecessary risks to the benefits to be provided to you and your **beneficiaries**; or
- cannot be easily and clearly identified and registered as an asset of your **Barnett Waddingham SIPP**.

If any of your chosen investments falls into any of these categories, we may refuse to allow it. In addition, we can instruct the **trustee**, and co-trustee where applicable, to sell any investments in your **Barnett Waddingham SIPP** if they are not, or stop being, permitted investments.

You agree to provide us with sufficient information to enable us to make an informed decision as to whether to refuse any investment proposal, or to compel the sale of an investment.

Valuations

Your **TIP** investment is valued annually, although it can be valued at any other time if you or your **NFU Mutual financial adviser** requests this. Other assets in your **Barnett Waddingham SIPP** are valued from time to time as necessary and before you take any benefits. However, property will only be valued when necessary. In certain circumstances, it may be appropriate to obtain estimates or indexation increases rather than a full valuation.

If you take capped **drawdown pension**, the assets will be valued at the relevant **pension review dates**.

All assets will be valued at frequencies necessary to meet prevailing **FCA** guidelines in respect of our **capital adequacy requirements**. Certain assets types (for example, property) will incur valuation fees from third party valuers and this cost will be settled from your SIPP funds. Barnett Waddingham may also charge a time-cost fee for obtaining valuations.

Voting rights

We will pass on details to you relating to any general meetings of policy holders applicable to your **TIP** investment if these are sent to us, but we will not notify you specifically of any voting rights arising out of your **TIP** investment.

We will not exercise any voting rights relating to any of your other **Barnett Waddingham SIPP** investments, and we will not notify you of any general shareholders' meetings relating to those investments.

10. Taking benefits

If you wish to receive benefits from your **Barnett Waddingham SIPP**, you must have reached age 55. This is currently the earliest age when you can take pension benefits except in cases of **ill-health, serious ill-health** or if you have the right to a **protected pension age**.

Lump Sum Allowances

When you take benefits from your SIPP, Barnett Waddingham will test the value of any tax-free lump sum you request against your available **lump sum allowance (LSA)** and **lump sum and death benefit allowance (LSDBA)**. This is called a **relevant benefit crystallisation event**.

These allowances replace the **lifetime allowance (LTA)** from 6 April 2024. They limit the value of tax-free lump sums you can take across all of your pensions. If a lump sum is paid that exceeds your available allowances, the excess amount will be subject to income tax at your marginal rate.

If you hold any Lifetime Allowance protections, they will continue to apply to your lump sum allowances.

Ill-health

To qualify for an **ill-health** pension, we must receive evidence from a registered medical practitioner confirming that you are (and will continue to be) incapable of carrying on your occupation because of physical or mental impairment, and that you have in fact stopped carrying on your occupation.

Serious ill-health

If you are in **serious ill-health**, and we have received evidence from a registered medical practitioner confirming that you are expected to live for less than a year, you may be able to exchange all of your **Barnett Waddingham SIPP** funds for a serious ill-health lump sum.

If you have taken **drawdown pension** from any part of your **Barnett Waddingham SIPP**, you will usually lose the option to receive a **serious ill-health** lump sum from that part of your **Barnett Waddingham SIPP**.

If you're under age 75, a **serious ill-health** lump sum will be paid tax-free, providing you have available lump sum and death benefit allowance (**LSDBA**). For any payment amount that is made above your available **LSDBA** will be taxed at your marginal rate of income tax.

If you've reached age 75, the lump sum will be taxed at your marginal rate of income tax.

Your retirement age and your benefit options

We will assume your chosen **retirement age** is age 65 unless you provide us with a different **retirement age**. You can amend your **retirement age** at any time by confirming this to us in writing by email or by post. We will usually contact you six months before your chosen **retirement age** with details of the benefits available to you.

You will be able to choose one or more of the following options:

- taking a **PCLS**;
- designating some or all of your fund to provide **drawdown pension**;
- taking an **UFPLS**; and/or
- buying an **annuity** or a **short-term annuity**.

You will need to let us know (in conjunction with your **NFU Mutual financial adviser**) what proportion of your **Barnett Waddingham SIPP** assets you wish to use for these options.

Valuation of assets

Before we can calculate your benefit entitlement, we must obtain a current valuation of your **TIP** investment together with any other assets invested in your **Barnett Waddingham SIPP**. Property valuations must be obtained within six months of the date you wish to receive benefits. If it is necessary to sell a property to provide you with funds to enable you to take benefits, payment of any benefits to you will be delayed until the property has been sold. Valuations of all assets in your **Barnett Waddingham SIPP** will be carried out in accordance with the requirements of relevant **legislation and regulation**.

Pension commencement lump sum

When you designate new funds into **drawdown pension** or purchase an **annuity**, you can usually take up to 25% of the value of the funds you're crystallising as a **pension commencement lump sum (PCLS)**, subject to your available **Lump Sum Allowance (LSA)** and **Lump Sum and Death Benefit Allowance (LSDBA)**.

The maximum amount you can take may be different if you're entitled to a protected lump sum amount.

You will not be able to take a **PCLS** from a **flexi-access drawdown fund** or a **capped drawdown fund** which has been transferred-in to your **Barnett Waddingham SIPP**.

If you choose to take a **PCLS**, we will pay this by CHAPS directly to a personal UK bank account in your name. Investments can be paid **in-specie** as a PCLS in some cases, and an additional fee will be applicable in these cases.

Drawdown pension

Flexi-access drawdown

If you designate funds into drawdown for the first time on or after 6 April 2015, the funds will be designated into a **flexi-access drawdown fund**. There is no limit on the amount that you can draw each year, and you can take payments as one or more lump sums or as regular income payments. Any payment will be taxable as pension income and will trigger the **money purchase AA**.

You can choose to designate new funds into a **flexi-access drawdown fund** in stages, although the minimum amount in each stage is £1,000.

Capped drawdown

If you were receiving capped **drawdown pension** before 6 April 2015, you can choose to either continue receiving capped **drawdown pension** and remain subject to the **maximum income limit**, or to convert your **capped drawdown fund** into a **flexi-access drawdown fund**.

You can convert to a **flexi-access drawdown fund** by notifying us to request conversion.

If you notify us to request conversion, the conversion to a **flexi-access drawdown fund** will start from the date we process your notification. If you draw more pension than the **maximum income limit**, your **capped drawdown fund** will convert automatically to a **flexi-access drawdown fund**.

If you continue receiving capped **drawdown pension**, and simultaneously commence a new **flexi-access drawdown fund**, any payment from the **flexi-access drawdown fund** will automatically trigger the **money purchase AA**.

Capped drawdown conditions

If you choose to continue receiving capped **drawdown pension**, we will notify you of the maximum annual amount that we can pay.

Your capped **drawdown pension** payments are reviewed every three years and the **maximum income limit** is recalculated. On your request, we can review your **maximum income limit** on any earlier anniversary of your **pension review date**. From age 75, capped **drawdown pension** payments are reviewed and recalculated annually. Any review could result in either an increase or a decrease in your ongoing **maximum income limit**.

You can choose any day in the 60 days before your **pension review date** to use as the valuation day for your **Barnett Waddingham SIPP**. If you do not select a day, we will calculate your revised **maximum income limit** based on the value of your **Barnett Waddingham SIPP** on your **pension review date** if a valuation is available. If there is no available valuation on your **pension review date**, we will use an available valuation on a day up to five **business days** before your **pension review date**, or within the six months before your **pension review date** in the case of property.

If an independent valuation of property, unquoted shares or other **non-standard investments** is required and you do not provide this before your **pension review date** when requested by us, we will arrange the valuation ourselves and charge the relevant fee to your **Barnett Waddingham SIPP**. If we are unable to do this before your **pension review date**, we reserve the right to stop paying your capped **drawdown pension**.

You can choose to designate new funds into a **capped drawdown fund** in stages, although the minimum amount in each stage is £1,000.

If you already have existing phased **crystallisation** held under different arrangements and are taking capped **drawdown pension**, you may choose which arrangements to take your capped **drawdown pension** from. We can either continue to proportion the capped **drawdown pension** payments across the arrangements being used, or we can take them from one arrangement in stages. This is subject to the **maximum income limit** not being exceeded in either case.

If you commence taking phased **crystallisation**, you will usually only have one arrangement to take capped **drawdown pension** payments from.

Payment of drawdown pension

You can choose to have your **drawdown pension** paid monthly, quarterly, half-yearly, yearly or on an ad hoc basis.

We will pay all regular **drawdown pension** payments net of income tax by BACS on either the 15th or the 28th day of the month in sterling. You must confirm to us in writing which date you would like to be paid on. Ad hoc **drawdown pension** payments can be paid by CHAPS on any **business day**.

Payment of all regular and ad hoc **drawdown pension** payments is subject to the following conditions:

- (a) we must have received the correctly completed paperwork from you or your **NFU Mutual financial adviser**, together with all necessary current valuations of your **Barnett Waddingham SIPP** assets; and
- (b) we will disinvest units in your **TIP** investment in proportion to your **TIP** holding to ensure that there is sufficient cash available in the **client money account** to pay your **drawdown pension** and any **PCLS** (including any tax due to **HMRC**) before the payment date. If there is still insufficient cash, you must either pay in extra cash or instruct us which other **TIP** units or assets to sell within 30 days of a request from us. Otherwise we will follow the disinvestment order in section 12. If we are unable to disinvest sufficient funds by the 15th day of the month, we will cancel the **drawdown pension** payment.

We will account for the income tax and submit this to **HMRC**. We can only calculate your tax liability based on the tax code we receive from **HMRC** even if this is different from the tax code you have received personally. We will not be liable for any loss incurred to your **Barnett Waddingham SIPP** due to the incorrect tax code being issued to us.

Payments can only be made to a personal UK bank account in your name. We will not usually make any payments to overseas bank accounts.

You will receive a payslip confirming details of each **drawdown pension** payment paid to you and the tax deducted. After the end of the tax year you will receive a P60 form which should be retained safely as you may need to include the information on your self-assessment tax return.

Payment changes

You may change your regular **drawdown pension** payment levels (subject to them not exceeding the **maximum income limit**), or stop or start receiving **drawdown pension**, by confirming this to us in writing at least ten **business days** before the payment date. If you notify us of any changes less than ten **business days** before the payment date, this will be subject to additional fees and we reserve the right to reject your instructions.

Pre-6 April 2015 flexible drawdown

If you were receiving **flexible drawdown** before 6 April 2015, your **flexible drawdown fund** will have converted automatically to a **flexi-access drawdown fund** on 6 April 2015 and the **money purchase AA** will apply to you. Any additional monies that you designate into drawdown will go into the converted fund.

Dependants' drawdown pension

Dependants who were receiving capped **drawdown pension** before 6 April 2015 will have the same options as **members** for continuing in capped **drawdown pension**, or for converting their **capped drawdown fund** to a **flexi-access drawdown fund**. However, payment from a **dependant's flexi-access drawdown fund** will not of itself trigger the **money purchase AA**. This will only apply if the **dependant** has also received an **UFPLS** in relation to his/her own pension savings, or is receiving his/her own **member's flexi-access drawdown pension**.

Uncrystallised funds pension lump sum

You can choose to access some or all of the **uncrystallised funds** in your **SIPP** by taking a lump sum, known as an **uncrystallised funds pension lump sum (UFPLS)**.

UFPLS payments are referred to as a relevant benefit crystallisation event (RBCE). This means they are tested against your **Lump Sum Allowance (LSA)** and your **Lump Sum and Death Benefit Allowance (LSDBA)**.

You can usually take up to 25% of an **UFPLS** tax-free, with the remainder taxed as pension income at your marginal rate. Depending on how much of your **LSA** and **LSDBA** you have available, the tax-free amount may be less than 25%.

The minimum amount you can take from your **SIPP** as an **UFPLS** is £1,000.

The taxed element will be paid net of income tax calculated on the current tax code that we receive from HMRC even if this is different from the tax code you have received personally. We will not be liable for any loss incurred to your **SIPP** due to the incorrect tax code being issued to us. If we do not have a current tax code, we will use the emergency tax code issued by HMRC at that time.

If the income tax deducted is more than you needed to pay, you'll need to reclaim the overpaid tax back from HMRC. Barnett Waddingham cannot do this on your behalf.

Taking an **UFPLS** will trigger the **money purchase annual allowance (MPAA)**.

If you have **primary protection** or **enhanced protection** with a protected lump sum, or have applied to HMRC for an enhancement factor increasing the tax-free lump sum you're entitled to take, you won't be able to take an **UFPLS**.

An **UFPLS** cannot be paid from a **disqualifying pension credit** as there is no entitlement to a tax-free payment from these credits.

We will only pay an **UFPLS** if we have received the correctly completed paperwork, together with all necessary current valuations of your **SIPP** assets, and if there are sufficient cleared funds available in the **client money account**.

UFPLS payments will only be made in sterling and to a personal UK bank account in your name. Payments are made by faster payment or CHAPS on any **business day**.

Buying an annuity

If you wish to purchase an **annuity** or a **short-term annuity**, you must write to us to confirm whether you want to use the whole or only part of your **Barnett Waddingham SIPP** and which provider you have selected on the open market. We will then process this request. If you are using only part of your **Barnett Waddingham SIPP** and you only have a **TIP** investment, you must instruct us which **TIP** units to sell. If you are using only part of your **Barnett Waddingham SIPP** and you have investments in addition to the **TIP**, you must instruct us which assets to disinvest. If you are currently receiving **drawdown pension** payments you must confirm when you would like us to make the last payment.

11. Death benefits

Payment of death benefits

On your death, the value of your **Barnett Waddingham SIPP** may be paid out as a lump sum, or used to provide **flexi-access drawdown pension** or to buy an **annuity** for your spouse, **dependants**, **nominees** or other **beneficiaries**. When you open your **Barnett Waddingham SIPP**, we ask you to complete an **expression of wishes** form nominating the **beneficiaries** you would like your benefits to be paid to on your death. We will take this into account when deciding to whom your benefits should be paid, but

the form is not binding on us. The payment will be made at our discretion and in line with the **trust deed and rules**, and we will write to your **beneficiaries** giving details of the options available to them.

If you have no **dependants**, your funds can be paid as a tax-free lump sum to one or more registered charities nominated by you before your death.

Death before age 75

If you die before your 75th birthday, both lump sums and flexi-access drawdown pension will usually be paid tax-free.

If the death benefits from your SIPP are paid as a lump sum, any amount that exceeds your remaining **lump sum and death benefit allowance (LSDBA)** will be subject to income tax at the beneficiaries' marginal rate(s). Barnett Waddingham won't deduct any income tax before paying out lump sum death benefits.

If death benefits aren't paid out within two years of your death, payments to individuals will be taxable at their marginal tax rate. Any payments to non-individuals (for example, a trust or a company) will be subject to a tax charge of 45%.

Death on or after age 75

If you die after your 75th birthday, death benefits from your **SIPP** will be subject to tax.

Any benefits paid to individuals will be taxed at their marginal tax rate. Any payments made to non-individuals (for example, a trust or company) will be taxed at 45%.

Beneficiaries

Beneficiaries cannot receive an **UFPLS** on the death of a **member** from the **member's** pension fund. If a **beneficiary** dies leaving unused **flexi-access drawdown funds**, he/she can pass those funds to a **successor** either to provide a **flexi-access drawdown pension** through a **successor's flexi-access drawdown fund**, or to be paid as a lump sum death benefit. The tax treatment of a **successor's flexi-access drawdown pension** and lump sum is the same as described above.

LTA Charge

This was a tax charge applied to any pension benefits you **crystallised** that exceeded your **lifetime allowance**. It was abolished on 6 April 2023.

Disinvestment

On your death, we will take instructions from your **NFU Mutual financial adviser** as regards selling your **TIP** investment to enable benefits to be settled.

If you have investments in your **Barnett Waddingham SIPP** in addition to your **TIP** investment, we will liaise with your financial or professional adviser or your Executors, as regards disinvesting those investments to pay benefits.

It may be possible in certain circumstances for benefits to be settled **in specie** rather than being disinvested.

12. Fees

Our fees

You will have been provided with a Schedule of Fees for setting up and administering your **Barnett Waddingham SIPP**. You agree to pay us the fees set out in the Schedule of Fees. All fees are exclusive of VAT which is payable in addition to the amounts shown.

We normally review our fees on 1 June each year and may change them if we have a valid reason for doing so. We will give you not less than 30 days' notice of any increases to our fees or the method used to collect them.

All of our fees will be settled by disinvesting units from your **TIP** investment in proportion to your **TIP** holding using the prices on the 15th day of the month (or the preceding **business day** if the 15th is not a **business day**) following the date of the invoice or completion of the relevant work.

Your NFU Mutual financial adviser's charges

Your **NFU Mutual financial adviser** is responsible for explaining the charges for investing in your **Barnett Waddingham SIPP** and the **TIP**. The cost of any initial advice provided by your **NFU Mutual financial adviser** and any subsequent charges relating to your **TIP** investment will be settled by a deduction of the charges you have agreed with your **NFU Mutual financial adviser** from any transfer payment(s) and any initial and ongoing contributions to your **Barnett Waddingham SIPP** before any funds are invested in the **TIP**. We will then pay the charges directly to **NFU Mutual Select Investments Limited**.

Any charges you agree with your **NFU Mutual financial adviser** are additional to the fees you pay to us for establishing and administering your **Barnett Waddingham SIPP**. It is your own responsibility for agreeing the charges with your **NFU Mutual financial adviser**, and we will not make any assessment as to whether this is reasonable or otherwise.

If you invest in other investments in addition to the **TIP**, any other charges due in respect of your investments or due to your financial or professional advisers will be invoiced to your **Barnett Waddingham SIPP** and will be settled by disinvesting units from your **TIP** investment in accordance with your instructions.

Changes to our fees

If we vary our fees, or introduce new fees to your disadvantage and you are not agreeable to the changes, you may terminate your **Barnett Waddingham SIPP** by giving us notice before the changes come into effect. We will then assist you in transferring to an alternative **registered pension scheme**.

In reviewing or amending our fees, we will have regard to changes in the level of administration expenses we incur including, but not limited to, **Financial Services Compensation Scheme (FSCS)** levies, or any other levy or tax which may be imposed on us from time to time. We reserve the right to increase our fees to cover this, and any increase would be shared among all **scheme members** at the time the levy or tax was imposed.

Disinvestment

If you do not have enough cash in the **client money account**, together with cash held in any other **deposit accounts**, to pay for an investment or to meet any charges, costs or expenses that are due, you must either pay in extra cash or instruct us to sell units in your **TIP** investment or other assets to meet the shortfall within 30 days of a request from us.

If you do not do this, we will disinvest assets from your **Barnett Waddingham SIPP** in the following order:

- we will instruct **NFU Mutual** to surrender units in your **TIP** investment and pay the proceeds to us. Any units you hold in the **TIP** deposit fund will be surrendered first, and any remaining balance will be surrendered proportionately from your remaining **TIP** units;
- sell unitised investments that are traded daily;
- sell investments held with a discretionary fund manager;
- sell any stocks and shares or other insured investments; then
- sell property or **non-standard investments**.

If we are unable to disinvest units in your **TIP** investment or other assets in your **Barnett Waddingham SIPP** because of your failure to co-operate with us in the sale, or if there are insufficient assets in your **Barnett Waddingham SIPP** to meet the outstanding charges, costs or expenses, we will take all steps that we consider reasonable to recover the shortfall from you personally.

13. Administration

Instructions to us

Instructions relating to your **TIP** investment will normally be submitted to us by your **NFU Mutual financial adviser**, and we will accept all instructions as binding and received in good faith. If instructions are submitted to us by your **NFU Mutual financial adviser**, we will not be responsible for any investment loss or expenses incurred by your **Barnett Waddingham SIPP** which are caused by a delay on the part of the adviser.

If you want to instruct us directly, all instructions to us must be by email from you or in writing and signed by you. We reserve the right to accept telephone instructions but we may require you (or your **NFU Mutual financial adviser**) to confirm your instructions by email or in writing before we act on those instructions. We will write to you to confirm the details of any changes that are made following your instructions.

If any instructions are unclear, we will request clarification from you or your **NFU Mutual financial adviser** before proceeding. We will not be responsible for any losses caused by the result of delay arising as a result of seeking such clarification.

If you invest in other investments in addition to the **TIP**, identical provisions will apply to instructions received from you or any other financial or professional adviser who you may appoint in respect of those investments.

Communications from us

Any instruction, notice or communication that we give to you under these terms and conditions will be in writing, signed by us and sent by email, secure online facility, or post to your last known address (or by such other methods as we may decide from time to time). Email and online will be used in priority to post unless you instruct us otherwise. If a communication is sent by email before 5pm on a **business day**, it will be deemed to be served on that day. Otherwise, a communication sent by email will be deemed to be served on the next **business day** after it is sent. If a communication is posted, it will be deemed to be served after two **business days** of posting. We will communicate with your **NFU Mutual** financial adviser unless you tell us to communicate directly with you.

Any verbal information we give to you or your **NFU Mutual financial adviser** cannot be relied upon and will be confirmed by us in writing either by email, online or post. Any communication which we provide to you is provided solely for your own use and is not intended to be relied upon by any third parties.

Disclosure of personal information

We will ask you to confirm who we may release your personal information to. Please note that where you provide us with authority to provide information to other parties it is your responsibility to update us when you no longer wish us to liaise with such parties.

Annual benefit statement and drawdown pension illustrations

We will send you an annual statement of the investments in your **Barnett Waddingham SIPP**, together with a **statutory money purchase illustration** of any funds that are not yet being used to provide you with benefits. This will be produced as at each **anniversary date**. We will use the most recent valuation we hold, but due to issues of timing and cost this may not be a current valuation.

If you are taking **drawdown pension**, we will also provide you with an annual **drawdown pension** illustration for that part of your **Barnett Waddingham SIPP** that is used to provide the **drawdown pension**.

Membership changes and reporting requirements

You must notify us immediately of any changes concerning your **Barnett Waddingham SIPP** membership including payment of contributions which do not attract **tax relief**, a change to your personal details (in particular your address or other contact details), or if you cease to be a UK resident.

You must comply with relevant **legislation and regulation** which requires you to notify us if you do any of the following under another **registered pension scheme**:

- you take more than the **maximum income limit** from a **capped drawdown fund**;
- you take **drawdown pension** from a **flexi-access drawdown fund**; or
- you take an **UFPLS**.

You must notify us of the relevant event within 91 days of the date that you take **flexible benefits**, or within 91 days of the date that you receive a statement from the **scheme** administrator of the other **registered pension scheme** confirming that the event has happened.

You must also notify all other **registered pension schemes** of which you are a **member** if you take **flexible benefits** from your **Barnett Waddingham SIPP**. The same timescales apply.

14. Banking and custody arrangements

Our client accounts

We have **client accounts** in our name with **our chosen bank** which are used collectively for all **scheme members**. There are different **client accounts** for different types of payment, such as making contributions and receiving transfer payments in, buying and selling investments, making **drawdown pension** payments to **members**, collecting rental income and making payments to **HMRC**.

Your cash is held in the **client money account** as client money in accordance with **FCA** requirements, and we treat our **members** as 'retail clients' for the purposes of these regulations. The **client accounts** cannot go overdrawn.

Our chosen bank pays interest on the total cash deposits held in the **client accounts**, depending upon the base rate in force from time to time. The current interest rates paid by **our chosen bank** are found in our Banking Arrangements document and is available on our website (www.barnett-waddingham.co.uk/nfum) and from us on request.

We transfer any cash you hold in the **client money account** to your **TIP** investment on a regular basis to be invested in accordance with your instructions. However, there is a three day delay before cash is transferred because of the **TIP** unit pricing requirements.

We reserve the right to change **our chosen bank** or our banking arrangements at any time. If we do so, we will give you written notice of the change.

Other accounts

You may choose to hold cash in a separate **deposit account** or accounts in addition to the **client money account** or the **TIP** deposit fund. It is your responsibility, with your **NFU Mutual financial adviser**, to determine the level of funds that you should hold in cash.

Some banks may pay us commission for certain deposit types, but we will not take commission where it is possible to switch it off.

Custody of investments

If you commenced your **Barnett Waddingham SIPP** before 1 October 2014, investments will be held in the joint names of yourself and the **trustee**. If you commenced your **Barnett Waddingham SIPP** on or after 1 October 2014, investments will be held in the trustee's sole name.

In either case, investments may be held in the name of such other custodian or **nominee** company that we may choose from time to time, and will usually also be designated in the name of your **Barnett Waddingham SIPP**.

Any cash held by your **Barnett Waddingham SIPP** with an investment manager or discretionary fund manager is subject to their own terms and conditions.

15. Professional advisers

If you invest in other investments in addition to the **TIP**, you may choose to appoint another financial or professional adviser, an investment adviser, a discretionary fund manager, custodian or **nominee**, and in some circumstances a solicitor, surveyor or other professional adviser to act in respect of your **Barnett Waddingham SIPP**. We do not accept any liability for your choice or range of professional advisers.

Unless prevented by **legislation and regulation**, and subject to any necessary advice being taken from the **investment committee**, the **trustee** will enter into an agreement with your appointed professional advisers to enable them to be appointed. We will consider whether their fees and expenses can be met from your **Barnett Waddingham SIPP** funds, but it is your responsibility to ensure you do not enter into agreements where the appropriate fees and charges cannot be met by you.

It is your financial adviser's or your own responsibility to monitor investments held with an investment manager. It is your responsibility to notify us immediately if you identify any errors.

We will assume you continue to appoint your advisers until you confirm to us in writing that this is no longer the case.

16. Liability

Neither we nor the **trustee** shall be liable to you for any claims, costs, expenses, losses, liability, default or delay arising to your

Barnett Waddingham SIPP and its underlying investments unless this is caused by our wilful neglect, wilful default or fraud. For the avoidance of doubt, neither we nor the **trustee** shall be liable for any losses arising from any of the following:

- you, your **NFU Mutual financial adviser** or your other adviser(s) providing us with insufficient or inaccurate data or information, or delays on the part of you, your **NFU Mutual financial adviser** or your other adviser(s);
- any acts or omissions by any discretionary fund manager, **nominee** or custodian company, or of **our chosen bank**;
- a failure to perform or delay in performing our obligations under these terms and conditions if the failure or delay results from war, riot, terrorism, fire, flood or other natural disaster, strikes or industrial action, cyber-attack on our computer systems, failure of our computer equipment or systems, or any other cause beyond our reasonable control;
- any **unauthorised payment** made or tax charge incurred in respect of your **Barnett Waddingham SIPP**;
- any loss on the investments in your **Barnett Waddingham SIPP** and/or any resulting consequential loss to you (for example the loss of opportunity to invest in another investment);
- the acts or omissions of any third party you may use to assist you in making investments; or
- any act or failure to act by you which is prohibited by **legislation and regulation**, and which requires us to take corrective action.

We may recover, from the funds in your **Barnett Waddingham SIPP**, any fees and charges and any claims, costs, expenses or losses that may be made or arise in respect of:

- your investment decisions or any loss on the investments in your **Barnett Waddingham SIPP**;
- any tax charge whether as a result of an **unauthorised payment** or otherwise;
- us having to take or defend legal proceedings relating to your **Barnett Waddingham SIPP**; and
- us having to take corrective action following an act or failure to act by you which is prohibited by **legislation and regulation**.

Sufficient cash must be available to meet the charges, costs, claims or expenses in your cash in the **client money account**. If there is insufficient cash, and you do not provide more cash or instruct us which assets to sell within 30 days of a request from us, we will take steps to recover the charges, or any costs, claims or expenses incurred by us from your **Barnett Waddingham SIPP** in line with the disinvestment order set out in section 12.

If any such amounts are not recoverable from the funds in your **Barnett Waddingham SIPP**, we will take all steps that we consider reasonable to recover the shortfall from you personally. You agree to indemnify us and the **trustee** in respect of such amounts.

For the avoidance of doubt, we do not exclude our liability where we are prohibited from doing so by **legislation and regulation**, including liability for death or personal injury caused by our negligence.

17. Termination of your Barnett Waddingham SIPP

Your **Barnett Waddingham SIPP** will terminate immediately on the occurrence of any of the following events:

- (a) payment of a transfer value in respect of all of your **Barnett Waddingham SIPP** to another **registered pension scheme** or to a **QROPS**;
- (b) purchase of an **annuity** in respect of all of your **Barnett Waddingham SIPP**;
- (c) payment of an **UFPLS** in respect of all of your **Barnett Waddingham SIPP**;
- (d) settlement of all benefits on death;
- (e) the cancellation of your **Barnett Waddingham SIPP** within the first 30 day cancellation period;

- (f) if there are no funds held in your **Barnett Waddingham SIPP** for a period of at least 30 days, we will have the right to close your **Barnett Waddingham SIPP**; or
- (g) on the winding-up of the **scheme** in accordance with the **trust deed and rules**.

All outstanding fees must be settled before your **Barnett Waddingham SIPP** can be wound up.

On giving you 30 days' written notice, we also have the right to stop providing services to you and to take action to close your **Barnett Waddingham SIPP** where you breach any of the provisions specified in these terms and conditions. Fees incurred in taking this action will be payable by you.

18. Closure of the scheme

On giving you 30 days' written notice (or otherwise as soon as we reasonably can), we may inform you that no new **members** will be admitted to the **scheme** and/or contributions by existing **scheme members** will no longer be accepted. Any such decision may be made for valid reasons including, but not limited to, any of the following:

- we stop being authorised by the **FCA**;
- the **scheme** ceases to be a **registered pension scheme**;
- we or the **trustee** determine(s) that it is necessary for the protection of the **members**; or
- our business is sold or wound up.

If the **scheme** closes, we will notify you of your rights and options. Where it is necessary to transfer your **Barnett Waddingham SIPP** to an alternative **registered pension scheme**, your consent will not be required, although you will be given an option to make a transfer to a **registered pension scheme** of your own choosing within a specified timeframe.
