Glossary

This document is applicable to both BW SIPP and Flexible SIPP products

Note: Where we refer to 'us', 'our' or 'we', we mean BW SIPP LLP acting as the **operator**. This document is based on our interpretation of current legislation and **HM Revenue & Customs (HMRC)** practice, which may change in the future.

#

6 April 2006 ("A-Day")

The date that the pensions tax simplification regime came into force.

A

Additional voluntary contributions

Contributions paid by an individual to his/her employer's **occupational pension scheme** over and above the basic or contractual contributions, which are required as a condition of membership.

Adjusted income

An annual monetary amount that determines whether an individual will be subject to a tapering of their **AA** for a particular tax year. Broadly, the amount is calculated by adding the individual's total income from all sources to their pension contributions during a tax year. (See also **Threshold income**.)

Anniversary date

Unless you or we notify otherwise, the annual anniversary of the date of the establishment of your **Barnett Waddingham Flexible SIPP**.

Annual allowance (AA) [\(see also Money purchase annual allowance\)](#)

The maximum amount that you can pay to all your **registered pension schemes** in a **pension input period (PIP)** and gain **tax relief**. If the **AA** is exceeded, you may have to pay **HMRC** a tax charge on the excess (the **AA charge**). The **AA** is £40,000 for the tax year 2019/20 and from then on until the Government notifies otherwise. However, if you trigger the **money purchase AA**, the amount you can contribute to **money purchase pension schemes** each tax year will be restricted to £4,000 (gross) for the tax year 2019/20 onwards, until the Government notifies otherwise. You can contribute the remaining portion of the **AA** to **defined benefit schemes**.

The **AA** will be reduced for individuals with **adjusted income** of more than £150,000 for the tax year 2019/20 and from then on until the Government notifies otherwise. The **AA** will be reduced by £1 for every £2 of **adjusted income** that an individual has over £150,000, with a maximum reduction of £30,000. The value of pension contributions is taken into account when assessing whether an individual's **adjusted income** exceeds £150,000, which means that an individual with **threshold income** of less than £150,000 (but subject to a minimum of £110,001) could be caught. Individuals with **threshold income** of £110,000 or less will not have their **AA** tapered.

Annual allowance charge (AA charge)

If the overall **AA** or the **money purchase AA** is exceeded, you may have to pay **HMRC** a tax charge on the excess. This is calculated by the chargeable amount being added to your taxable income for the relevant tax year, and tax then being charged at your marginal rate.

Annuity

An **annuity** contract purchased from an **annuity** provider of your choice that provides you with an income for life in exchange for all or part of your **Barnett Waddingham Flexible SIPP** funds and/or funds from other **registered pension schemes**. (See also **short-term annuity**)

Arm's length

The condition or fact that the parties to a transaction are independent and on an equal footing, or act as they would if they were independent buyers and sellers, with no shared interest. The concept of an **arm's length** transaction is to ensure that both parties in the deal are acting in their own self-interest, and are not subject to any pressure or duress from the other party.

Salary sacrifice (or salary exchange)

An arrangement between an employer and an employee where the employee waives part of his/her salary in exchange for a corresponding employer contribution to a pension scheme.

Scheme

The Barnett Waddingham Self Invested Personal Pension is a **registered pension scheme** and is established and governed by a **trust deed and rules**.

Self-invested personal pension scheme (SIPP)

A **personal pension scheme** which allows the individual to have more control over the manner in which the assets are invested. **SIPPs** permit a wide range of investments and offer flexible retirement options.

Serious ill-health

If we receive evidence from a registered medical practitioner confirming that you are expected to live for less than a year, and you have not exceeded the **LTA**, you can exchange your **Barnett Waddingham Flexible SIPP** funds for a **serious ill-health** lump sum. This is not usually available from funds used for **drawdown pension**.

Short-term annuity

A temporary **annuity** that runs for up to five years, and allows you to draw an income and to defer buying an **annuity**.

Small self-administered scheme (SSAS)

A particular type of trust-based **occupational pension scheme** that is often used by business owners as a means of saving for retirement, whilst retaining control over the use and investment of pension scheme monies. Generally, all **SSAS members** are trustees.

State pension

The basic **state pension** and the additional **state pension**. From 6 April 2016, the government introduced a new single tier flat-rate **state pension** for those individuals reaching their **state pension age**, on or after that date, and which is £168.60 per week for the 2019/20 tax year. The basic **state pension**, which preceded the new **state pension**, is £129.20 per week for the 2019/20 tax year.

State pension age

The earliest age when the **state pension** can be taken.

Statutory drawdown pension illustration

Annual illustration issued to **personal pension scheme members** who are taking **drawdown pension**, giving forecasts of the effects of drawing certain levels of pension over various periods, allowing for certain levels of growth of the **member's** fund in those periods. It also provides a forecast of the level of **annuity** that might be bought.

Statutory money purchase illustration (SMPI)

Annual illustration issued to *personal pension scheme members* giving forecasts of benefits at the date of issue, and at retirement, of their *uncrystallised* funds.

Successor

A person nominated by a *beneficiary* (or, where applicable, the *operator*) to receive benefits from the *beneficiary's Barnett Waddingham Flexible SIPP* on the *beneficiary's* death. The *operator* can only consider a *beneficiary's successors* to receive pension income, and can only nominate a *successor* in the absence of any *successors* or charities that were nominated by the *beneficiary*.

Successor's flexi-access drawdown fund

A *flexi-access drawdown fund* established on the death of a *beneficiary*, who dies leaving unused funds in a *dependant's flexi-access drawdown fund* or a *nominee's flexi-access drawdown fund*, to enable the payment of pension income to a *successor* nominated by the *beneficiary* before his/her death (or, where applicable, by the *operator*).

Syndicated property

An investment by your *Barnett Waddingham Flexible SIPP* in a share of a commercial property, which is owned and managed through a syndicate property manager. Typically, this is via an investment fund, and not a direct ownership of the property itself. This is not the same as a *joint property purchase*.

Tangible moveable property (TMP)

Things that can be touched and moved. This includes, but is not limited to, assets such as art, antiques, jewellery, fine wine, classic cars and yachts.

Tax relief

In most cases, personal or third-party (but not employer) contributions to your *Barnett Waddingham Flexible SIPP* will receive *tax relief*. We currently reclaim £20 from *HMRC* for each £80 (net) that you contribute to your *Barnett Waddingham Flexible SIPP*. This is added to your *Barnett Waddingham Flexible SIPP* funds. Additional income *tax relief* may also be available if you are a higher or additional rate tax payer, and corporation *tax relief* for employers making contributions. Higher or additional rate tax payers may claim additional *tax relief* through a self-assessment tax return, or directly from *HMRC* themselves.

Taxable property

Property held by a *SIPP* that is subject to tax charges by *HMRC* – in particular, *residential property* and most *tangible moveable property*.

Threshold income

An annual monetary amount that determines whether an individual will be subject or not to a tapering of their **AA** for a particular tax year. Broadly, the amount is calculated by subtracting an individual's gross pension contributions from their net income earned during a tax year. (See also **adjusted income**.)

Trust deed and rules

Trustee

BW SIPP Trustees Limited (company number 03011174), is a non-trading company set up to act as a bare trustee of the **scheme** and is referred to in the **trust deed and rules** as the 'asset trustee'. Its sole purpose is to hold the **scheme** assets for the benefit of the **scheme members**. The **trustee** is not responsible for the day-to-day running of the **scheme** and as such is not regulated under the Financial Services and Markets Act 2000.

Unauthorised payment

A payment that is not authorised by *HMRC*, made to or in respect of a *member*, or to or in respect of an employer, by a pension *scheme*. *Unauthorised payments* are subject to tax charges and are not permitted by the *scheme*.

Uncrystallised

Pension funds which have not yet been *crystallised* - i.e. no *retirement benefits* have been taken, (other than an *uncrystallised funds pension lump sum*, which is paid from *uncrystallised* funds).

Uncrystallised funds pension lump sum (UFPLS)

A lump sum payment or payments of some or all of the funds in your *Barnett Waddingham Flexible SIPP*, which is paid from *uncrystallised* funds that are not designated for *drawdown pension*. Usually 25% of the lump sum will be tax-free, with the remainder taxable as pension income at your marginal rate.

You must have sufficient *LTA* available in excess of the *UFPLS*, and its payment will trigger the *money purchase AA*.
